## New Threats From Michael Spreadbury of 700 4th st Hamilton, Montana

Today, Mr Shitbury, er Michael Spreadbury, the town of Hamilton's own bipolar, neurotic, psychopathic, nutjob sends me new threats against my safety and that of my family by once again accusing me of sending death threats and challenging the public at large to stop me, because he obviously does not have the backbone to do it himself.

If I sent anyone a death threat everyone would know it because the planet would be minus one or more low life worthless cowards.

While there are numerous worthless scum walking around like that, last I knew they were still, unfortunately, still breathing.

Michael Spreadbury, a self confessed convicted felon and obvious mental basket case, is a coward who only has courage to intimidate little girls and shy timid librarians who cannot fight back.

Same offer still stands for you as it does for all the other cowards. Dont like it, come get me, but as the saying goes, dont bring a knife to a gun fight...

## New worthless threats from Crystal L Cox professional extortionist and real estate scam artist.

Apparently I am accused of saying to this nut job, "Fuck you, you fat ugly bipolar lying worthless cunt! Dont like it, you know where I live! Come get me you worthless piece of shit!!!"

I have to say this comment is extremely accurate... She rants about me stalking her from the University of Montana, on a Sunday.....

1. Who works on a Sunday? I can prove I was in my truck somewhere hunting at 4:16 on Sunday.
2. Who says I even work at U of M anymore dumbass...

Posting is right though, should she or any of her mental defficient hoard come near me, trespass on my property again, or threaten me in any way I will use physical force to defend myself and family up to and including the use of lethal force granted to me by the laws of Montana. In other words, if you come within 21 feet and/or I cannot see your hands at all times when in view, I will consider that a threat.

Now I think this comment is worth reposting....

"Fuck you, you fat ugly bipolar lying worthless cunt! Dont like it, you know where I live! Come get me you worthless piece of shit!!! Fuck you, Fuck your big titted ugly lover Rutherford, your child abusing ass kissing buddy Stramer and your mental retard buddy Spreadbury. Fuck all of you shit eating scum!!!!!!!"

Plaintiffs,

v. OPINION & ORDER

CRYSTAL COX,

Defendant.

1 - OPINION & ORDER

Crystal L. Cox  
P.O. Box 1610  
Eureka, Montana 59917  
Defendant Pro Se

HERNANDEZ, District Judge:

Plaintiffs Obsidian Finance Group, LLC and Kevin Padrick move to dismiss, or alternatively for summary judgment as to, defendant Crystal Cox's counterclaims. I grant the motion.

#### BACKGROUND

The background of this defamation action is fully set out in the prior opinions resolving plaintiffs' earlier summary judgment motion. See July 7, 2011 Op. & Ord. (dkt #26); Aug. 23, 2011 Op. & Ord. (dkt #31). I do not repeat it here.

#### STANDARDS

##### I. Dismissal

On a motion to dismiss, the court must review the sufficiency of the complaint. *Scheuer v. Rhodes*, 416 U.S. 232, 236 (1974). All allegations of material fact are taken as true and construed in the light most favorable to the nonmoving party. *American Family Ass'n, Inc. v. City & County of San Francisco*, 277 F.3d 1114, 1120 (9th Cir. 2002). However, the court need not accept conclusory allegations as truthful. *Holden v. Hagopian*, 978 F.2d 1115, 1121 (9th Cir. 1992).

A motion to dismiss under Rule 12(b)(6) will be granted if plaintiff alleges the "grounds" of his "entitlement to relief" with nothing "more than labels and conclusions, and a formulaic recitation of the elements of a cause of action[.]" *Bell Atlantic Corp. v. Twombly*, 550 U.S. 544,

2 - OPINION & ORDER

555 (2007). "Factual allegations must be enough to raise a right to relief above the speculative level, . . . on the assumption that all the allegations in the complaint are true (even if doubtful in fact)[.]" *Id.* (citations and footnote omitted).

To survive a motion to dismiss, the complaint "must contain sufficient factual matter, accepted as true, to state a claim to relief that is plausible on its face[.]" meaning "when the

plaintiff pleads factual content that allows the court to draw the reasonable inference that the defendant is liable for the misconduct alleged." *Ashcroft v. Iqbal*, 129 S. Ct. 1937, 1949 (2009) (internal quotation omitted). Additionally, "only a complaint that states a plausible claim for relief survives a motion to dismiss." *Id.* at 1950. The complaint must contain "well-pleaded facts" which "permit the court to infer more than the mere possibility of misconduct." *Id.*

## II. Summary Judgment

Summary judgment is appropriate if there is no genuine dispute as to any material fact and the moving party is entitled to judgment as a matter of law. Fed. R. Civ. P. 56(a). The moving party bears the initial responsibility of informing the court of the basis of its motion, and identifying those portions of "the pleadings, depositions, answers to interrogatories, and admissions on file, together with the affidavits, if any," which it believes demonstrate the absence of a genuine issue of material fact." *Celotex Corp. v. Catrett*, 477 U.S. 317, 323 (1986) (quoting Fed. R. Civ. P. 56(c)).

Once the moving party meets its initial burden of demonstrating the absence of a genuine issue of material fact, the burden then shifts to the nonmoving party to present "specific facts" showing a "genuine issue for trial." *Fed. Trade Comm'n v. Stefanchik*, 559 F.3d 924, 927-28 (9th Cir. 2009) (internal quotation omitted). The nonmoving party must go beyond the pleadings

## 3 - OPINION & ORDER

and designate facts showing an issue for trial. *Celotex*, 477 U.S. at 322-23.

The substantive law governing a claim determines whether a fact is material. *Suever v. Connell*, 579 F.3d 1047, 1056 (9th Cir. 2009). The court views inferences drawn from the facts in the light most favorable to the nonmoving party and draws all reasonable inferences in that party's favor. *Long v. City & County of Honolulu*, 511 F.3d 901, 905 (9th Cir. 2007).

If the factual context makes the nonmoving party's claim as to the existence of a material issue of fact implausible, that party must come forward with more persuasive evidence to support his claim than would otherwise be necessary. *Matsushita Elec. Indus. Co. v. Zenith Radio Corp.*, 475 U.S. 574, 587 (1986).

## DISCUSSION

Along with her Answer, defendant filed a separate document entitled "Counter Complaint" which, as explained in the July 7, 2011 Opinion & Order, appeared to assert several counterclaims against plaintiffs, as well as claims against several non-parties. July 7, 2011 Op. & Ord. at p. 15. As articulated in the July 7, 2011 Opinion & Order, I recognized only the counterclaims brought against plaintiffs. *Id.* No counterclaims against any other persons named in the "Counter Complaint" are considered to be pending in this case. *Id.* Further, I explained that while defendant referred to Oregon's Anti-SLAPP statute, I did not consider the filing to be a

motion under that statute because defendant had filed an Answer to the Complaint and she failed to timely bring an appropriate motion under Oregon Revised Statute § 31.150. Id.

I also attempted to discern the nature of the counterclaims defendant asserted and

#### 4 - OPINION & ORDER

concluded that there were two: defamation and intentional interference with economic relations.<sup>1</sup>

I invited plaintiffs to move against the counterclaims because they appeared to fail to state a claim or suggested that they could be disposed of on summary judgment before trial.

Plaintiffs have now filed that motion and argue that the counterclaims for harassment, conspiracy, and defamation should be dismissed for failure to state a claim, or that summary judgment should be granted to plaintiffs on those counterclaims. Although they did not expressly recognize the intentional interference with economic relations claim, I consider the arguments to also be directed at that claim.

The general factual background defendant provides in support of the counterclaims recites allegations in no particular order, chronological or otherwise. Defendant appears to base all of her claims on the following allegations: (1) the filing of the defamation action against her; (2) a desire by plaintiffs to silence her; (3) conspiring with others to harass, defame, and make threats against her; (4) attempting to ruin her career; and (5) tortiously interfering with her ability to run her business. Counter Compl. at pp. 5-10.

Following these allegations, in "Count I," she brings a claim for "Conspiracy," contending that plaintiffs have engaged in conduct constituting a felony by threatening the use of physical force against property or against a person, or by soliciting, commanding, inducing, or

<sup>1</sup> Unfortunately, the copy of the Counter Complaint I relied on at that time was missing page 13, which expressly delineates claims for conspiracy and harassment. I now consider those claims to have been asserted, along with the expressly delineated defamation claim.

Furthermore, defendant expressly alleges that plaintiffs (and others) "torturously [sic] interfered with my ability to run my business," that the public has a right to know what she posts and that the "frivolous" lawsuit filed against her has harmed her real estate brokerage business. Counter Compl. at pp. 9, 14. I interpret these allegations to assert an interference with economic relations claim based on the filing of this lawsuit by plaintiffs.

#### 5 - OPINION & ORDER

endeavoring to persuade others to engage in such conduct. Counter Compl. at p. 13. In "Count II," she brings a claim for "Harassment," contending that plaintiffs have filed a frivolous lawsuit, continued a "pattern" of selective prosecution, and have discriminated against her. Id. In "Count III," she brings a claim for "Defamation," in which she contends that plaintiffs have discriminated against her "in the media exposure of the Summit 1031 Bankruptcy," and defamed her among potential real estate clients by filing a frivolous lawsuit against her. Id. at p. 14. She

alleges that she has suffered \$150,000,000 in damages. Id. at pp. 13-15.

Plaintiffs argue that the claims must be dismissed because defendant fails to allege sufficient facts in support of the claims, the conduct of filing the lawsuit against her is absolutely privileged, and that to the extent the motion is one for summary judgment, defendant cannot sustain her burden to show the existence of an issue of fact on any of the claims. I agree with plaintiffs.

First, to the extent defendant's "conspiracy" counterclaim attempts to allege the violation of criminal laws, it does not state a claim. See generally *Aldabe v. Aldabe*, 616 F.2d 1089, 1092 (9th Cir. 1980) (criminal statutes create no privately enforceable rights and do not give rise to civil liability); see also *Allen v. Gold Country Casino*, 464 F.3d 1044, 1048 (9th Cir. 2006) (criminal statutes do not give rise to civil liability).

Second, to the extent any of defendant's counterclaims are based on the filing of this case against her, they must be dismissed. *Wallulis v. Dymowski*, 323 Or. 337, 348, 918 P.2d 755, 761 (1996) (statements made in judicial proceedings are absolutely privileged); *Wollam v. Brandt*, 154 Or. App. 156, 162 n.5, 961 P.2d 219, 222 n. 5 (1998) (absolute privilege applies not only to defamation action, but "to any tort action based on statements made in connection with a judicial

#### 6 - OPINION & ORDER

proceeding").

Third, I am unaware of any Oregon case recognizing an independent tort of "harassment" and thus, this claim fails to state a claim. See *Roy v. City of Eugene*, No. CV-07-6290-HO, 2008 WL 4616704, at \*1 (D. Or. Oct. 15, 2008) (summary judgment granted to defendant on plaintiff's civil claim for "harassment" because "[p]laintiff cites to no cases recognizing this tort, and the court finds no such cases").

Fourth, defendant's attempt to allege a counterclaim for "conspiracy" fails to state a claim under Oregon law. While one problem is her pleading the existence of a conspiracy in a conclusory fashion<sup>2</sup>, another is that a civil conspiracy "is not, itself, a separate tort for which damages may be recovered; rather, it is a 'way in which a person may become jointly liable for another's tortious conduct.'" *Morasch v. Hood*, 232 Or. App. 392, 402, 222 P.3d 1125, 1132 (2009) (quoting *Granewich v. Harding*, 329 Or. 47, 53, 985 P.2d 788 (1999)) (brackets omitted). Defendant asserts no cognizable separate tort and thus, her allegations of conspiracy do not state a claim.

Finally, Padrick states in a declaration that he has never directly or indirectly threatened defendant, and has never conspired with anyone to threaten her with physical force. Padrick Sept. 9, 2011 Decl. at ¶ 2. In response, defendant submits no admissible evidence capable of creating an issue of fact regarding her allegations that plaintiffs threatened her, either directly or

indirectly. Her response to the motion consists only of a memorandum in opposition, with no 2 E.g., Counter Compl. at p. 5 (alleging that plaintiffs' filing of the Complaint in this case is part of their "conspiratorial activities"); Id. at p. 7 (defendant has reason to believe that Obsidian Finance and Padrick have "conspired" with non-parties to defame and harass); Id. at p. 8 (alleging that plaintiffs have conspired to send her a death threat).

#### 7 - OPINION & ORDER

factual evidence whatsoever. In the face of Padrick's assertions, plaintiffs are entitled to summary judgment on any of defendant's counterclaims based on allegations that plaintiffs threatened her.

#### CONCLUSION

Plaintiffs' motion to dismiss, or alternatively for summary judgment [36], is granted and all of defendant's counterclaims are dismissed.

IT IS SO ORDERED.

Dated this 18th day of October , 2011

My neighbor has given me a video tape of Crystal L Cox driving repeatedly back and forth in front of my home, which is on a private, dead end road. Cox drives very slowly back and forth in front of the house, turning around several times while hanging out the window gawking and apparently taking pictures.

Its unfortunate I was not home at the time... But, since this is a private road, it is still trespassing. this video has been forwarded to law enforcement and is being processed.

Please come back when I'm home next time Cox, we can have some fun. Bring all your other coward buddies with you. Oh sorry I forgot... you are all keyboard cowards.

She has a new Sugar momma... A "woman" who must be quite as delusional as Cox, and of course must have a very large bank account that Cox can use to further her harassment and extortion activities.

If anyone would like the name of her new money source and address of her new location please email me offline. I wont disclose the name of this Woman as long as she leaves me alone. After that, all gloves are off.

## Michael Spreadbury: Proven WRONG Yet Again X2

### Spreadbury defeated in his appeal of his guilty plea!

Ever heard of such a thing? Some nut pleads no contest (by law a pleading of guilty without admission) then appeals the plea to the Supreme Court of Montana.

This means that his original sentence, a measly year on probation, is back in force!! I'm taking odds on how long that lasts... I give it...two weeks.

Just a note here Spreadbury, I have your parole officer on speed dial!!

STATE OF MONTANA,

v.

Submitted on Briefs: June 22, 2011

Decided: July 26, 2011

Filed:

---

Clerk

July 26 2011

Justice Beth Baker delivered the Opinion of the Court.

¶1 Michael Spreadbury pled no contest to a charge of felony intimidation. He appeals from the resulting judgment entered against him in the Twenty-First Judicial District Court, Ravalli County. We affirm.

¶2 We restate the issue as whether Spreadbury waived the right to raise a probable cause challenge when he entered his no contest plea without reserving the issue for appeal.

#### FACTUAL AND PROCEDURAL BACKGROUND

¶3 The State of Montana's affidavit in support of the motion for leave to file an information against Spreadbury alleged that, on November 4, 2009, Spreadbury approached and threatened Bitterroot Public Library employee Nansu Roddy. Roddy had had previous contact with Spreadbury during her employment, and Spreadbury had been charged with criminal trespass on library property. As Roddy was walking across a parking lot outside the library on November 4, Spreadbury pulled his truck into the

parking lot, blocking her path of travel. He opened his truck door and said, "You need to do something about what is happening to me" -- apparently referring to the then-unresolved criminal trespass case. Roddy replied she could not do anything, and Spreadbury became more agitated. Pumping his fist in the air, he said, "You need to go to [the prosecutor] and tell him to close this case." Roddy ran to her car. When Spreadbury then drove away, Roddy went to the police department and reported these events, which had frightened her. Police also located a witness who observed Spreadbury and Roddy in the parking lot from his nearby office. He described Spreadbury's behavior as agitated and confrontational.

¶4 Spreadbury initially pled not guilty and moved to dismiss the information for failure to establish probable cause to charge him with intimidation. The District Court denied that motion. Spreadbury later changed his plea to no contest, without reserving any issues for appeal. The District Court imposed a one-year deferred sentence, subject to conditions of probation. Spreadbury appeals.

#### DISCUSSION

¶5 Did Spreadbury waive the right to raise a probable cause challenge when he entered his no contest plea without reserving the issue for appeal?

¶6 Spreadbury states the issue on appeal as whether the District Court had jurisdiction to try the case when there was no probable cause to believe he committed the offense of felony intimidation. He argues whether there was probable cause to believe he committed felony intimidation is a jurisdictional question that may be raised at any time. In making this argument, he relies on *State v. Davis*, 210 Mont. 28, 681 P.2d 42 (1984), and *State v. Thompson*, 243 Mont. 28, 792 P.2d 1103 (1990).

¶7 The State responds that Spreadbury's reliance on *Davis* and *Thompson* is misplaced. We agree. *Davis* did not include analysis on the issue; only a statement that "a showing of probable cause is a jurisdictional threshold." This Court then went on to hold, however, that the issue could not be raised in a post-judgment motion to dismiss because it had not been raised on appeal, and affirmed the district court order denying the motion to dismiss. See *Davis*, 210 Mont. at 30, 681 P.2d at 43. *Thompson*, the second case upon which Spreadbury relies, quoted *Davis*, but only in dicta; there, we affirmed a district court's dismissal of a case for lack of probable cause. See *Thompson*, 243 Mont. at 30, 33, 792 P.2d at 1105, 1107.

¶8 Jurisdiction refers to a court's power -- as established by constitution or statute -- to adjudicate a case. *United States v. Cotton*, 535 U.S. 625, 630, 122 S. Ct. 1781, 1785 (2002); *BNSF Ry. Co. v. Cringle*, 2010 MT 290, ¶ 15, 359 Mont. 20, 247 P.3d 706

("Subject matter jurisdiction involves the court's fundamental authority to hear and adjudicate cases or proceedings."). In Cotton, the Court rejected an argument that defects in a charging document may deprive a court of its power to adjudicate a case.

¶9 Several state courts have had occasion to rule on the issue clarified in Cotton. See e.g. *Ex parte Seymour*, 946 So. 2d 536, 538 (Ala. 2006) (collecting state cases); *Patton v. State*, 964 So. 2d 1247, 1250 (Ala. Crim. App. 2007) (holding that the defendant's challenge to the informations against him, "although couched in jurisdictional terms, is not truly jurisdictional"); *State v. Maldonado*, 223 P.3d 653, 655 (Ariz. 2010) (rejecting the suggestion that a defective information in itself deprives a court of subject matter jurisdiction); *State v. Morgan*, 910 N.E.2d 1075, 1083 (Ohio Ct. App. 2009) (holding that the defendant's guilty plea waived alleged defects in the indictment); *State v. Daniel*, 193 P.3d 1021, 1024-25 (Or. Ct. App. 2008) (overruling earlier cases and holding that a defect in an indictment is not a jurisdictional error).

¶10 Consistent with these authorities, we hold that whether the information included allegations establishing probable cause to support the charge against Spreadbury is not a jurisdictional issue. We hereby overrule the contrary statements made in *Davis* and *Thompson* to the extent they conflict with *Cotton*. The issue in this case is "the preclusive effect to be given the plea agreement, not the jurisdiction of the court." See *United States v. Castillo*, 496 F.3d 947, 956 (9th Cir. 2007).

¶11 Because a guilty plea "represents a break in the chain of events" in the criminal process, a defendant who enters such a plea waives his right to raise independent claims relating to alleged constitutional violations that occurred prior to entry of the plea. *Tollett v. Henderson*, 411 U.S. 258, 267, 93 S. Ct. 1602, 1608 (1973). Spreadbury argues his claim was somehow preserved by his entry of a no contest plea because he made no factual admissions of guilt. However, Montana law clearly provides that waiver of pre-plea claims applies nevertheless. Section 46-12-204(3), MCA, states: "With the approval of the court and the consent of the prosecutor, a defendant may enter a plea of guilty or nolo contendere, reserving the right, on appeal from the judgment, to review the adverse determination of any specified pretrial motion." It follows that the right to appeal from an adverse pre-plea ruling is waived unless it is specifically reserved. See *State v. Pavey*, 2010 MT 104, ¶ 12, 356 Mont. 248, 231 P.3d 1104.

¶12 That is as it should be. "Throughout its history . . . the plea of nolo contendere has been viewed not as an express admission of guilt but as a consent by the defendant that he may be punished as if he were guilty and a prayer for leniency." *North Carolina v. Alford*, 400 U.S. 25, 35-36 n. 8, 91 S. Ct. 160, 166-67 n. 8 (1970). Thus, the effect of a

no contest plea is to preclude the conviction as evidence of guilt in subsequent proceedings. *United States v. Dalvan Nguyen*, 465 F.3d 1128, 1131 (9th Cir. 2006); *Mont. R. Evid.* 410. Permitting a party who does not contest the court's authority to convict and punish him to bring a later proceeding in which he claims his conviction was improper would undermine the finality of plea agreements and "society's 'desire to encourage compromise resolution of criminal cases.'" *Dalvan Nguyen*, 465 F.3d at 1131 (quoting *Olsen v. Correiro*, 189 F.3d 52, 69 (1st Cir. 1999)).

¶13 In this case, before accepting Spreadbury's plea, the District Court discussed with him the fact that the only issue before the court was whether he was freely and voluntarily entering a change of plea and that he would need to "do it without reservation" despite his pending motions or the "many things" Spreadbury may believe the court should know about. Spreadbury acknowledged he wanted to move on with his life and a no contest plea was in his best interest, and agreed with the court that proceeding with the plea and sentencing would "draw [the] case to a close[.]" Having made that voluntary choice, Spreadbury cannot now come before the Court to complain about the adequacy of the charge.

¶14 We conclude that, by entering a no contest plea without reserving for appeal the question whether there was probable cause to support the information filed against him, Spreadbury waived the right to raise the issue on appeal from the final judgment entered. As a result, we affirm the judgment entered by the District Court.

Spreadbury,

In case you didn't get the message.... You have never met me, had never contacted me, yet you filed multiple fraudulent complaints with multiple law enforcement agencies to have me arrested and you made multiple fraudulent attempts to get frivolous restraining orders against me. Nothing stuck did it?

You made your crapumentary that exposed me to a great number of threats and harassment based on the lies of a mentally diseased lesbian, and you, another mentally impaired crackpot...

You figuratively drew the first blood.

If you do not leave me alone I assure you I will take everything you and Cox have and both of you will write me a check each week for the rest of your lives.

I am not intimidated by a bipolar, paranoid tinfoil hat wearing nutcases like you.

### [Michael Spreadbury Still Working with Crystal Cox](#)

This week Cyber, and real life stalkers Michael Spreadbury of Hamilton Montana and Crystal Cox, now of Whitefish Montana, continue to threaten and harass my coworkers.

Spreadbury continues to phone and email my employer and/or anyone he decides may be involved in Cox's lies and her deceit.

Cox continues to promote her agenda against my family by encouraging and enticing Spreadbury, Cox is also assisting Spreadbury to get his delusions onto the web, now that he is ignored by the local news paper, and his "website" has been ordered shut down by the courts.

Michael Spreadbury, a self confessed and convicted felon who has plead guilty of his own accord to intimidation of a witness, continues to cling to a delusional lie invented and promoted by Crystal Cox.

Both Michael Spreadbury and Crystal Cox continue to promote their "crapumentary," based on this lie, and other lies, half truths, slander and created fake documents and emails.

To any sensible person, both of these individuals have obvious mental issues which make them a threat to the safety and security of the community.

The mentally ill can be ignored for a time, at some point the dangerous ones have the capacity to go "postal". As individuals we must be vigilant of this and be prepared to defend our families, homes and lives using all legal force necessary.

I know I am prepared, are you?

## Michael Spreadbury Threatens The Lives of My Family

**Convicted Felon**  
**Michael Spreadbury.**  
**Department of Corrections Offender # 3006109**  
**This week makes a threat against my family.**

In one phone conversation he states "he has respected your request that he stay away from your family, but this is the last straw and he will not longer be doing that"

In a following email he states: "Tell Mr. Bouchie to find a good lawyer for saying that I threatened him. I only make promises." What kind of promise would that be Mr. Spreadbury? Sounds like a threat to me...

Consider this your (and your crazy buddy Cox"s) last and final order to Cease and desist! Your physical presence within 1000feet of me or anyone in my family, my workplace or home will be considered a threat of violence and will be dealt with with the amount of force I deem necessary to preserve the life and safety of my family.

How long does law enforcement and the legal system allow keyboard coward scum like this to waste taxpayers money and threaten its citizens.

Michael Spreadbury and Crystal Cox have both threatened me, tried to get me arrested based on their delusions, made grand documentaries about how I threatened them and used law

enforcement in some grand corrupt scheme.

They have both harassed me for years on end supported by my wife's abusive father and his freeman waco supporters.

My response is the same as it always has been.

## Once again I Am Accused Of Trying to Kill Crystal L Cox

I post these statements not as a form of entertainment to most of you, though I know it more than likely is.

I post them as a legal postmark.

I post the harassment and threats I receive so that I have a legal dated post mark as these actions happen.

I document this harassment in case I should unfortunately find the need to legally defend myself or my family in the court room once again against this socially psychopathic cyber stalker, Crystal L Cox, or any of her group small of deviant followers, or if god forbid I have to use legal force to defend myself or family physically in a confrontation with any of these cowards.

### **Yesterday I was accused of once again attempting to harm and/or kill Crystal L Cox. Apparently working with "Martin Cain"**

I find this accusation humorous, seeing I have no idea who Martain Cain is, nor have I have never spoken to anyone with that name.

On August 6th at 5:35pm I received an email from Crystal L Cox. thanking me for the nice email I had sent her.

"Sean,  
Again, thanks for your Email, I will Hopefully be able to post and respond soon. I am swamped with Hate mail as you can Imagine.. and busy with other work, gotta make a living ya know..

Attached was an email that she allegedly received from [crystalcoxisabitch@yahoo.com](mailto:crystalcoxisabitch@yahoo.com).

To this day she insists that this email is a death threat, I cannot see any death threat in this email.

To this day she insists I am the one who sent her this email.

Here in her own words she publicly states that she does not know who the email came from.

Liar, Scam Artist, Extortionist, Mentally III

Just because someone has a realty or a broker license in the State of Montana does not mean they are trustworthy, honest or have any integrity.

Do your homework, before you contact Crystal L Cox, or Ten Lakes Realty.

Contact anyone in Eureka Montana and ask what they think of Crystal L Cox or Ten Lakes Realty.

Contact the County Commissioner, the Town of Eureka Mayor, the local bank or credit union where you will do business, heck ask most anyone in one of the local grocery stores, both of which Crystal L Cox is not welcome to set foot in.

Crystal L Cox of Ten Lakes Realty is a mentally disturbed individual who has ruined her own life and business thanks to her lies and harassment of innocent victims in order to line her own pockets.

Crystal L Cox now makes her living by attempting to extort funds from those individuals who she threatens and slanders on the Internet.

Her victims compose those who refuse to do business with her, those who have a different opinion from hers in any way, and those she has been paid to harass.

As we said, do your homework before contacting Crystal L Cox or Ten Lakes Realty in any way.

### More Threats Today

Received this today. Interesting read.

IN THE NAME AND BY AUTHORITY OF

THE STATE OF MONTANA:

I, Stephen Mocko, being duly sworn, do state upon my oath that I have personal knowledge that I have good reason to believe and do believe based upon the following information:

On or about the night of August 19, 2009 I was forwarded an email by Crystal Cox. In that email it contained a death threat, inflammatory comments against her sexual orientation, and slander against her career, directed at Crystal Cox. I had noticed that the senders email address was crystalcoxisabitch@yahoo.com. Crystal then informed me that it was from a Sean Boushie but could not get any proof. I then took it upon myself to write an email to this crystalcoxisabitch@yahoo.com in a threatening manner in the hopes to get this threatener to reveal their identity. At this point I did not know it was a Sean Boushie. The next day I got a reply message from an email address by sean.boushie@mso.umt.edu. I had no knowledge that this was the Sean Boushie that Crystal Cox had told me about. In that fact how did this sean.boushie@mso.umt.edu get my email address of notyranny59917@yahoo.com to send a reply? On the morning of August 28, 2009 at 8.57am, Pacific Standard Time, I received a call from Officer Maury McKinney from the Lincoln County Sheriff's department. Officer McKinney asked if I had sent an email to a Sean Boushie. He did not ask if I had sent an email to the email address crystalcoxisabitch@yahoo.com. He then proceeded to read the letter I wrote to crystalcoxisabitch@yahoo.com.

There was one question that came to my mind. How did he get that email? Only Sean Boushie, who filed my letter that was sent to crystalcoxisabitch@yahoo.com with Officer McKinney, could have written that threatening and slanderous email against Crystal Cox. Attached hereto as exhibit A. This is circumstantial evidence according to 26-1-102(1) Montana Code Annotated 2009, that Sean Boushie did in fact write the threats on her life, and purposely caused Crystal Cox to omit her performance of her daily life with the fear that Sean Boushie will carry out his threat on her life.

and I charge that heretofore, and before the making and filing of this complaint, on or before the \_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_, in the 19 Judicial District court, County of Lincoln and the State of Montana, Sean Boushie, did then and there unlawfully and willfully violate Section 45-5-203 Montana Code Annotated, a Forcible felony defined by 45-3-101(2) Montana Code Annotated, against the peace and dignity of the State.

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Jurat

Signed and sworn before me \_\_\_\_\_, on this day, the \_\_\_\_ day of \_\_\_\_\_, 2007.

Signed: \_\_\_\_\_

Printed: \_\_\_\_\_

The author, Stephen Mocko, who has threatened me before, states that I have committed a forcible felony Against Crystal Cox according to: 45-3-101(2) Montana Code Annotated

This statement is in reference to her "death threat" email which she has one thousand times over accused me of writing, but which I have proven she fabricated and sent to herself using a proxy email server in order to harass and slander me.

This harassment was done to support the lies generated by her failed recall attempt of Sheriff Anderson, and to support her buddies in that failed attempt, Paul Stramer and the Lincoln County Watch, who Stephen Mocko happens to be a member of.

According to Mocko's flawed logic and ever greater flawed interpretation of Montana law, (which is common amongst these illiterate "patriots" and paranoid nutcases), having been accused, apparently tried and convicted of committing his "forcible felony" he , and I assume all the Lincoln County Watchers, are now justified in using deadly force against me without provocation.

Use of deadly force in defense of person MCA 45-3-102.

His statement, interpreted by me as, shoot me on sight.

I state once again.

**Come get me you worthless lying cowards.**

**Its such a shame that cowards like this exist.**  
**They don't have the balls to actually stand up to**  
**a man, but they are giants behind a keyboard.**  
**Be a man, have some balls, pull that little gun**  
**you are so proud of and come get me or shut**  
**your mouth and go away.**

**Since we know you only have the courage to**  
**beat the crap out of little girls I will assume you**  
**are too much of a coward to do anything.**

**WARNING: CRYSTAL L COX MOVES BACK TO  
EUREKA MONTANA**

## **Warning to all Montana Crystal L Cox victims!!!**

I have been notified that Crystal L Cox has been once again seen in Eureka Montana!!!!

It is believed she is now homeless and desperate for cash. Her current situation, combined with her current mental status are a recipe for disaster.

Her paranoia and delusions of corruption, stalking, death threats, and government monitoring of her communications are very similar to those of the shooter of the recent Tuscon shootings.

She has also been seen in Hamilton and Stevensville Montana.

## **Watch your back!!!!**

We suggest everyone learn the following Montana Law.

### **45-3-102. Use of force in defense of person.**

A person is justified in the use of force or threat to use force against another when and to the extent that the person reasonably believes that the conduct is necessary for self-defense or the defense of another against the other person's imminent use of unlawful force. However, the person is justified in the use of force likely to cause death or serious bodily harm only if the person reasonably believes that the force is necessary to prevent imminent death or serious bodily harm to the person or another or to prevent the commission of a forcible felony.

## **Beware Crystal L. Cox Cyber Stalker**

### **From the Urban Dictionary:**

*A cyber stalker is a sick and lonely coward individual who abuses the anonymity of the internet as his only possibility to molest another person. This kind of breed uses all kinds of internet services like talk forums or blogs for chasing his victims. The victims are mostly only accidental and get attacked for no given reason.*

**Beware of Crystal L. Cox, ex realtor, formerly associated with Ten Lakes Realty Formerly from Eureka Montana now living in Boulder Colorado.**

**This woman promotes herself as an online Marketing person. ## Contact information.

I have been asked several times how I can be contacted, email is preferable, [seanboushie@gmail.com](mailto:seanboushie@gmail.com) if you would like me to call you please leave a number, I would be happy to talk with you, or anyone who is being threatened, harassed or extorted by Crystal L Cox, Michael Spreadbury, the Lincoln County Watch, or any associated nutcase person or group.

**Crystal L Cox**, also known as **my cowardly stalker**, has posted my personal contact information online on multiple occasions.

Due to this I have received many lovely and threatening phone calls and emails from her select group of supporting cowards who cannot and do not have the courage to actually face a man to his face and threaten him in person. I call them keyboard cowards.

Because of this my contact information has changed, many times.....

PS, if you are working with Cox and are trying to pump me for information by pretending to be her enemy, I will know and I will file charges against you.

## Funny Threat from Crystal L Cox of Boulder Colorado

Today I was sent a funny post written by the Lunatic, lying extortionist Crystal Cox of Boulder Colorado.

**"Hey University of Montana STALKER ~ Go Fuck Yourself - Enough Already..  
Jackass..University of Montana - Hate Crime Continues**

Every New Post, Every Tip I write on.. every breath I take Sean Boushie is there  
Fucking with me.. interfering with my Clients, my Business .. harassing and  
Threatening me and Judge Robin Clute PROTECTS him.. meanwhile the  
University of Montana PAYS Sean Boushie to constantly Fuck With Me.. - When  
Does it End? Well it Does Not End.. "

So eloquent don't you think?

I love the use of big four letter words. Its even funnier seeing I was not even in the office or on campus that day.

She posts a bunch of her fabricated "web stats" trying to show I'm stalking her, yet shes trying to monitor me,...?

Hmmmm Who is stalking who.

And no it will not end. Not until you go away, leave us alone and delete all of your worthless lies. Oh and BTW, I wont pay your hush money like the others. I prefer to turn this over to the sheriff.

## Today we received an email threat from Paul Stramer

Today we have received an email from Paul Stramer, who full well knows he is not welcome to contact or communicate with myself or my wife in anyway shape or form. You see, Paul Stramer is my wife's biological sperm donor, he has never been a father, he has no idea what that means. His wife has never been a mother either, but I digress. This man likes to beat the crap

out of little girls apparently. I know for a fact he beat the crap out of my wife as a child, denied her any decent education, and degraded her mentally and physically. The other children got much the same treatment.

Apparently Paul Stramer wants to meet us in a courtroom once again. Keep it up and you will.

In any case today we got this email, which was also posted on one of the thousands of fraudulent lying web blogs owned by the extortionist and mentally deranged Crystal Cox, now of Boulder, Co. The email was then forwarded to me to ensure that I saw it.

I have stated this before.

1. I proved in a court of law that [crystalcoxisabitch@yahoo.com](mailto:crystalcoxisabitch@yahoo.com) is owned by crystal cox herself. This is the reason she has attacked Robin Clute so viciously.
2. That Crystal Cox sent herself a long rambling email that she calls a "death threat" which she blames me for sending. I believe Paul Stramer assisted her with this email. I have a statement from a sheriff's deputy which places Paul Stramer at Crystal Cox's home on three occasions. (While he was there to serve her paperwork)
3. Crystal Cox forwarded this email to my place of employment to ensure I would see it.
4. Crystal Cox forwarded an email from Stephen Mocko sent to [crystalcoxisabitch@yahoo.com](mailto:crystalcoxisabitch@yahoo.com) to my place of employment to ensure I would see it. I then made a complaint against Stephen Mocko.
5. Paul Stramer has harassed my wife and I for almost fifteen years. Why? Because we refuse to get married in his "Cult" religion, and we refuse to submit to his will and kiss his ass. He is a power hungry control freak.

Email from Paul Stramer

"This article is right on. Steven Mocko got involved because when Paul Stramer was wrongly denied a concealed carry permit the first time, that action of sheriff Anderson lead to a letter to the editor, which lead to a collusion between the sheriff and Sean Boushie to deny a second application for concealed carry permit. Sean said words to the effect that he helped the sheriff by providing a "legal basis" to deny the permit. That "legal basis" was an order of protection that was granted by Stormy Langston during which proceeding she did not require one shred of evidence that anything Sean Boushie said was true, and she denied Paul Stramer the ability to have witnesses on his behalf in the courtroom. Crystal Cox was waiting in the entrance room to testify that her life had been threatened by Sean. She was not allowed in. She was threatened, because she came to Paul Stramers defense in her blogs, and Steven Mocko proved it by smoking out Sean Boushie by writing a threatening letter to whomever had threatened Crystal's life at the address that the threatening email against Crystal had come from.

Sean answered it, and called the cop shop in Eureka and identified himself and attempted to profer charges against Steve Mocko, thereby proving he had access to the [crystalcoxisabitch@yahoo.com](mailto:crystalcoxisabitch@yahoo.com) email address.

Why would I bring all this up now?

Because the whole denial of the permit BOTH TIMES was baseless and nothing but political persecution.

The proof of that fact is that after an extensive background check by the state of Utah, probably the most strict background check any state does before issuing a Concealed Firearms permit, the State of Utah has issued Paul Stramer a permit that is good in 30 states including Montana, and Paul Stramer has continued to purchase many firearms for his personal collection and to give to his children as presents, always with the FBI background check coming back with "proceed immediately with the sale".

I know this first hand because it happened to me, Paul Stramer "

I want to analyze the lies in this email.

1. If he has a concealed weapons permit as he states, he would not need to go through the criminal background check to purchase a firearm. So either he is lying about having a weapons permit, or he is lying about the background check, either way he is a liar.
2. There was no collusion between Sheriff Anderson and I. Sheriff Anderson knew who I was thru mutual friends in the sheriff's department, he called and asked if my wife and I would make a statement about Paul Stramer. My wife, having grown up being abused by Paul Stramer knew where all the skeletons were in his closet. We made a sworn statement and gave it to Sheriff Anderson.
3. Because of this statement Paul Stramer began sending us his "gonna go to hell" letters again and on several occasions followed me around Eureka, Mt. I asked for and was granted an order of protection. I now wish I had done differently and I would not be harassed by him yet today. ON the day he was to be served with the order of protection he followed me home from work, 200 miles away from his home in Eureka, MT.
4. Crystal Cox then began to harass me, coached and assisted by Paul Stramer. I have yet to ever speak to Crystal Cox, yet she continues to write false emails and send herself threats she says are from me.

Apparently in this email from Paul Stramer is a hidden veiled threat. He states that he now has a concealed weapons permit, and I assume carries a firearm.

Big deal, so do I. I always carry several in fact, and so does my wife and all members of my family. Don't make the mistake that I wont shoot back, or shoot first. Given the legal need or provocation I have no problem exercising my legal right to protect myself and my family.

He also states that he has armed his children. Coupled with an email threat I previously received from Stephen Mocko, who has also on numerous occasions threatened us via email assisted by Paul Stramer and Crystal Cox:

"you mother fucker. I know all of his kids they are good friends. And they are big. You are the one that needs to watch out. Don't show your fucking face back here in town because a bunch of us want your ass. "

I can only assume that he infers that his children are armed and that his children are also after me. Again, big deal. I carry a firearm for protection also.

My only personal statement on this is: Its such a shame that **cowards** like this exist. they don't have the balls to actually stand up to a man, but they are giants behind a keyboard. I would never write anything I wouldn't say to your face.

That said I state, **Come get me you worthless lying cowards.**

Be a man, have some balls, pull that little gun you are so proud of and come get me or shut your mouth and go away. Since we know you are only have the courage to beat the crap out of little girls I will assume you are too much of a coward to do anything.

**Now shut up and leave us alone!!**

## Are you a Crystal Cox Victim?

Hello,

To those of you who may read this and are or have become victims of the lies, extortion and downright physical hateful and violent threats from Crystal Cox and her "followers," please know you are not alone.

She has well over 100 victims in over 23 states now, with more to surface Im sure.

In fact, most of us assume if she hates you then you are a pretty good person, with a few exceptions.

Please send us a message if you have the time so we can add you to our mailing list and keep you updated.

Unlike Cox, we will keep your identity private unless you wish to make it known.

## Crystal Cox of Boulder Co is a Dangerous Delusional Psychopath

Today I came home to find that I have been "harassing" Crystal Cox, once of Eureka, MT now driven out by the town's people to Boulder CO. Apparently, according to her, I have been saying all kinds of nasty crap, threatening her life again, and ruining her "career" and her "lifestyle" whatever that disgusting remark that means.

Well I must be good, because I was packed in into the middle of nowhere all week, No cell, no computer. You see Crystal, I have more important things to do that waste my time, laughing at your delusional rantings. I unlike you have a life.

But my point?

**You dont know your ass from a hole in the ground!!**

**You are a worthless low life liar who gets some sort of preverted psycho sexual rush from lying about others and causing them harm.**

Ive told you to shut up before, you having the mentality of a bed bug and are too stupid to listen. So, tomorrow I will once again speak to the Boulder Co sheriffs dept and begin the process for your arrest on intimidation, harassment, and stalking just like your buddy Spreadbury.

Lets remind everyone, I had a restraining order against Ms. Cox because she was and continues to stalk me and my wife.

She invents "evidence" as she needs it and actually thinks that whatever she puts on the internet is true, and that everyone will believe it.

In reality it is all hearsay and not admissable anywhere. What is even more disgusting is that she chooses to support child abusers,wife beaters, and drunken DUI felons simply because they are her "friends", aka nutjobs. Everyone else is always wrong, always trying to kill her, and always after her in some way. Sound like delusional paranoia to anyone else?

Oh, and send your supposed low life attorney, mine is ready, we have already found your hidden assets that we can take. Since you were assisted by Turner, your mother, Mocko and Stramer also, we will be going after everything they have transferred or sold for you. Dont forget Mary and Bonita are friends, I have copies of every title transfer.

If you get your korrupt buddy Langston to try and issue me anything, or any other crook judge you pay off, you had better make sure they send the swat team this time.

As I said, **put up or shut up**, get your ambulance chasing lawyer on it or shut your psychopathic bipolar putrid mouth and stop wasting our oxygen. Clock is ticking, I'll be progressing the criminal complaint first thing in the morning.

It must be very depressing knowing that you've just turned 40 and you are a failure at everything you have ever done.

Failed at romance, failure at business, failure at finances, left without friends, driven out of town because everyone hates your guts, and now you are working on pissing off a whole new group of people to do it all over again. remember the definition of insanity? You are it!

How do you do this? My guess now is as the same as before, you have a sugar mamma who will support you financially, someone who you can live off like some parasite untill they have the balls to get rid of you.

In any case stay where you are , no one in Eureka wants to see you around ever again.

## Extortion by Crystal Cox

I was contacted today by an individual who had apporached Crystal cox for some "search engine management". They agreed on a price. One week later, by email she tells him that she has found skeletons in his closet and the "fee" would be 5 times more.

Next Cox decides that the fees are not enough and she starts trashing this individual to the entire blog world, ruining his business and reputation.

So basicly if you dont pay her you are doomed, if you do you are screwed.

I believe that the legal term for this is...extortion... I call it Cyberterrorisim, which is the reason she is on the no fly list, or nutjob watch list, which ever they call it.

She is on the list because I and others have made complaints with both homeland security and the FBI to ensure she is known as a dangerous and mental individual.

## Guilty!!!!

[http://missoulian.com/news/state-and-regional/article\\_49e9b21a-d8d2-11df-9bb2-001cc4c002e0.html](http://missoulian.com/news/state-and-regional/article_49e9b21a-d8d2-11df-9bb2-001cc4c002e0.html)

Spreadbury pleads GUILTY!!

Cox co conspirator pleads guilty to **felony** intimidation. He is ordered to remove all harassment of Ms. Roody from the web on his websites, including michaelspreadbury.com.

Who owns michaelspreadbury.com? thats right..Crystal Cox formerly of Eureka, MT now of Boulder, CO.

So whats it going to be?

Are we gong to prosecute Cox for felony intimidation next? Is Ravalli county going to make Spreadbury and Cox stop harassing, threatening, slandering and spreading lies about everyone and anyone?

Law Enforcement Ive spoken to says.....**YES!!!**

Your choice, remove all your lies on your own or wait and your victims will do it for you. A sane mind would make the logical choice... but..Well ya know...

## Crystal Cox begins to attack my wife.....

Crystal cox,

Do you just blurt out lies naturally or is it a direct result of your paranoid psychizophrenia?

You have no idea why we asked for a TRO against my wife's ABUSER because YOU WERE NOT IN THE ROOM!!

**SO, YOU ARE LYING YET AGAIN!!!!**

Worse yet, you are so easily manipulated by old man Stramer, who was at your house coaching you how to harass me each time my friend Maury brought you more paperwork..

Get a clue, **YOU ARE THE STALKER SWEETIE!!** You are the one that has been harassing us for over a year based on nothing. Based on my constitutional right to voice my opinion and post a letter to the editor? A right only you have I know.

Get over it!!

I have court documents from the honorable Robin Clute to prove that **YOU HAVE BEEN**

**STALKING ME!!!!**

Quit blaming me and everyone else for your failures, and your paranoid delusions.

Dont forget you have pissed off a lot of people, Im not your only victim, many of them have their own anti crystal cox sites, just like Bill does.

The only thing I have ever threatened you with is a sherrif, which I am doing again BTW.

Shut up and leave us alone or I will send a Sherrif to your door, again!!! No matter where you live now.

I'm done being nice, you had time to have your little tantrum, now leave us alone or law enforcement will be at your door with a warrant. Stop accusing me of everything, stop contacting my employeer, stop contacting my coworkers, stop trying to file false police reports, stop trying to get your crazy low life buddies to intimidate and threaten me. If you havent noticed I dont scare very easily!!!

Maybe its better to quit while you are behind.

And really.. get yourself some Zucloenthixal and some counseling...

This is the last waste of time any of us will spend on your worthless crap.

Put up or shut up, you are no more than a lowlife keyboard bully. This is your final notice!!

## Extreme paranoia of Crystal Cox

Here is a recent photo of a property located on Graves Cr, just South of Eureka, Mt and North of Fortine.

The person(s) who once lived on this property ~ ten years ago (aka Crystal Cox) took a lovely flat hayfield and built a twenty five foot berm around the entire property.

Why? Well because people were trying to kill them!!!!

The same moron is still using the same lame paranoid excuse today. Everyone is against her, everyone is trying to kill her, blah blah blah...

Everyone knows you are a **mentally derranged liar!** So shut up.

If you do not cease this blog will continue with the real truth about you.....Your choice.

Next will be a complete list of all your abuse victims and what they have to say about you...

I'm Scared.....

NOT!!!!!!

Her fingers must be tired tonight I counted well over 300 posts, also known as lies by rational people.

Holy crap, burn her at the stake? Are you freakin kidding me? She actually said that I have threatened to kill her by burning her at the stake....

One that's just wayyyy too much work. Two, what a waste of good firewood...

Apparently I'm supposed to be scared by a keyboard coward who can't even spell correctly....

gesh.. Give it up. No body cares what you lie about..

And FYI read Preazeau's dismissal of your BS restraining order. Viewing of any public web page is a constitutionally protected right, just like reading the paper and freedom of speech, IT IS NOT CONSIDERED STALKING!!!!

Monitoring the actions of others and attempting to use that information to harass, slander, defame, control and instill fear by using "stat" counters is considered stalking, read the law!!!

Crystal Cox,

Seriously, I feel sorry for you, it must be lonely there in your mind with all your lies and hate.

Must be horrible knowing no one believes you, no one cares about you knowing that everyone hates you and that you are not welcome to darken any ones door.

Get yourself some help. Get yourself some serious psychotherapy or some anti psychotic medication before its too late, even though it probably is.

If you really believe that someone is trying to kill you by burning you at the stake, you need serious help.

Someone let the lunatics out of the cage...

Well... Looks like we will have to go back to court. Cox had a whole year to cool off, she couldnt wait apparently. The restraining order expired friday and shes right back at it this week. If shes not going to shut up it will be another bawling.

I really wish you would post those "recordings" you say you made in Robin Clute's court room. Id like to hear them.

For the record...

I have never spoken to Crystal L Cox, I never will!

Her LIES about me sending her a "Death threat" were invented by none other than...herself.

She invented her "Death threat" so that she could have a starring role in the widely unknown comedy, "Beneath the Beauty" the story of two star crossed crazies in two counties, neither of which have a brain cell left.

I have never spoken to Michael Spreadbury, yet he continues to harass and threaten me for

Crystal Cox. Well I guess the few times he called to threaten me I did speak to him. Only once did her reveal his identity.

And I will not recognize any BS paperwork sent to me by Crystal L Cox. This includes BS legal threats, civil lawsuits, and especially BS restraining orders sent from paid off "Judges" from Lincoln county!

On a lighter note, Found this picture on someone's facebook page, who I have now blocked... Free beer to the first person who can guess whos page...(no not mine..)

## Crystal L. Cox = Internet Predator

I just love this posting from another individual. Its so true...

Crystal L. Cox spouts lies on top of lies in an attempt to slander and defame people she has never met or even spoken to.

Why?

Because she's crazy with poor self esteem and has to do this in order to make her self feel better.

I believe thats called a bully... I call her a COWARD!!

Crystal L. Cox = Internet Predator

"Nobody really pays attention to the crap you write about. Really your stance on topics changes on a daily basis. You write with foul language and you write based on your own emotion and tips that have nothing to do with the truth. I do tell the truth every step of the way. You are the one who distorts it to fit your circumstances. You were in love with me and you fed me hundreds of flattering emails. You went crazy when I was hospitalized and went after my family. Now I want nothing to do with you because you hurt people who are innocent by constantly lying and switching stories to fit who you are mad at. That is not journalism or investigative reporting. You have to be kidding yourself. You want a war. Have it with yourself. I don't have to war with you because it is taking away the attention from the true predators, Kevin Padrick, Tonkon Torp, Obsidian Finance. You have made a mess out of blogging.

Crystal L. Cox is an Internet Predator - She will promise to help, but slay you when you don't do what she wants.

## "Beware of False Prophets"

I found this yesterday, I almost fell off my chair I was laughing so hard.

You see.. the genius that wrote this, (or probably stole it from somewhere else), is directing this writing at me, trying to insinuate that I'm the the evil SOB.

As expected though he shows his lack of intelligence, and lack of general reading comprehension, because he is describing himself and his lunatic actions to a T. Pretty hilarious.

Agan... too bad he and his tinfoil crowd are nothing but keyboard cowards. I assure you buddy, there will not be any restraining orders, any Korrupt (with a Kommunist K) worthless judges or wasted calls to any law enforcement for you or any of your tinfoil hat wack job buddies. If you dont leave us alone I will take care of the problem myself and you will realize what the real meaning of "law of man" means.

Dont underestimate the capabilities of your enemy, best to quit while you are behind and still have a retreat available.

But we know that won't happen because you and your bipolar lesbian buddy are crazy. Oh well, you were warned.....

Who are the false Prophets?

Those seducers who under an appearance of virtue and honesty lure innocent, simple souls from the right path, and lead them to vice and shame; who by sweet words,

God. Guard against such hypocrites, for they have the poison of vipers on their tongues. By the false prophets are also understood those who propagate error, who by superficial words fade the true faith, who speak always of love and liberty, and who under the pretence of making people free and happy bring many a soul to doubt and error, depriving it of true faith and peace of heart.

How can we know the false prophets?

By their works; for evil, corrupted men can produce only bad fruit. If we look into their life we will find that at heart they are immoral hypocrites who observe external propriety only that they may the more easily spread their poison. The false teachers and messengers of error may be known by their lives, but especially by their intentions, Which are to subvert all divine order, and to put the unrestrained lust of the flesh and tyranny in its place.

## Lets Explore Domestic And Cyber Terrorisim

As defined and quoted directly from the Federal Bureau of Investigation:

### Domestic Terrorism

The unlawful use, or threatened use, of force or violence by a group or individual based and operating entirely within the United States or its territories without foreign direction committed against persons or property to intimidate or coerce a government, the civilian population, or any segment thereof, in furtherance of political or social objectives.

### Cyber Terrorism

Cyberterrorism is a criminal act perpetrated by the use of computers and telecommunications capabilities, resulting in violence, destruction and/or disruption of services, where the intended purpose is to create fear by causing confusion and uncertainty within a given population, with the goal of influencing a government or population to conform to a particular political, social or ideological agenda.

Now, I ask you...

Do these definitions define someone who uses the internet to spread lies and slander innocent victims in order to intimidate them so that their victims and the general population bends to their "will" and accepts their lies as "truth"? This following the Goering belief that a lie well supported as truth and repeated a thousand times becomes truth? Convientently a Nazi propoganda principal.

Do these definitions define someone who uses the internet to attempt and instill and promote fear in others that refuse to be dominated by another, who refuse to accept the self imposed will of another and dare to have their own opinions, who refuse to be a victim from past abuse both physical and mental, most likely from a child abusing parent?

My answer...Yes.

Domestic Terrorism and Cyber Terrorism perfectly define the rantings and cowardly hollow threats of Crystal Cox, Paul Stramer, Michael Spreadbury, the Lincoln County Watch and Bitterroot Rising.

Personally I've had all the threats I'm going to take from the lot of them.

It might be time to consider "when is it time to fight".

My only message to these terrorists, do not underestimate your opponent...

## From "The Zombie Chronicles

Found on another blog.

Crystal Cox, You Suck.com

I'll start by stating I don't normally make a habit of demeaning or belittling a person or persons of unfortunate circumstances, be those circumstances naturally occurring or a result of environmental causes, but in this case I'd be remiss to not pre-empt my name negatively appearing on the internet by first writing (CAPITALS LETTERING IMPLIED),

Crystal Cox you suck.

That said, your suckness seems to derive from an inner, or mental disease. Whether that disease derives from genes, being dropped on your head as a baby, or repeated abuse you may have suffered as a child may never be known (and I don't really want to know). Perhaps it is a case of all three... but that is just me speculating, which is really why I'm writing this. Your wildly speculative blogging, which you call investigative blogging can be amusing and sad at the same time. Amusing in that it completely disregards any semblance of investigation and sad because it publicly displays the inner workings of a pathetically sick mind.

The ugly prattle you usually compose rarely engages me beyond the first sentence. Check your trusty stat counter, I'm usually on and off before a quarter of a minute is up. I think purposely making repeated negative public comments on a families' private turmoil, as you have done recently, crosses a line that goes beyond amusing, sad, or even pathetic. It is mostly just plain mean.

So why don't you just stop. No one other than the fiction of your own mind has given you the authority to be involved here, not the family, not the creditors, not any sane person. Contrary to your lame denials you have contributed to the current mess this family is suffering through. Is that what you want, is that what you need- to cause pain?

## Crystal Cox Loves Michael Spreadbury

I just think this is so funny... "truth" seeker loving a "truth seeker"

The Lincoln County wack job in love with the Ravalli county nutcase... how hilarious...

The sad part is they are both delusional, both mentally unstable and both still walking free.. well Spreadbury is out on bail... guess who is next?

Hmmm In the past Cox had gotten Spreadbury to harass and threaten me, he made false claims about a "death threat" supposedly sent by me with law enforcement in several counties and cities in Cox's behalf.

Didnt work so well for ya did it Cox..? Everyone down here knows Spreadbury is a nutcase...

At least Spreadbury is smart enough to leave me alone when I tell him to, and understand's what will happen if he dosen't. Guess hes the slightly smarter of the two.

## Gonna need a miracle.....

Recently Crystal Cox posted she was "gonna need a miracle". Apparently to get herself out of the crap storm of legal trouble she has inserted herself into.

Well Crystal Cox of Eureka Montana is going to need more than a miracle. Im guessing she realized the FBI is researching her fraud. Funny.....

As detailed in the following on-line publications, Crystal L. Cox: A Lesson Not Learned, Crystal L. Cox and Leslie Turner unfolds into one of the ugliest pictures of any two people on this planet. These websites paint a picture of two women who, feeling isolated from the mainstream of society, are pathologically fragile and hyper-sensitive to the slightest imagined provocation or thoughts of rejection. At all times, they are loaded guns dangerously close to launching a vicious attack on the reputation of any person, their business and their family for reasons that are a mystery to their victims. The nature of their attacks are so horrible that the motives cast a parallel shadow to the actions and behavior of serial killers. Unfortunately for the victims of Crystal L. Cox and Leslie Turner, they can't escape the pressure of endless and persistent torture and suffering. Their death is one of the soul, day by day torture as their businesses and families are torn apart by their senseless and thoroughly sadistic pleasure. Crystal L. Cox and Leslie Turner are two people to be avoided by humanity. Unlike the rest of us, they live in a pathetic and macabre world consumed with their own vitriol and venom.

Crystal L. Cox and Leslie Turner have developed a well organized method to attack and destroy their victims lives via the internet. Through the skilled use of websites, blogs and on-line videos, they take aim at their victims and without substantiated cause, publically humiliate, embarrass and willfully lie. Because their motive is to destroy their victims, not reason with them, there is no negotiation, no mediation, no compromise and no escape.

Like a crafty spider, Crystal L. Cox and Leslie Turner have learned how to trap their victims. With the disguise of seemingly innocuous websites fraudulently posturing as community information bulletins, they are able to mask themselves so to worm their way into the communities of Eureka, Kalispell and others. The Eureka Montana News and the Kalispell Montana News are two such publications owned, operated and edited by Crystal L. Cox and Leslie Turner. Masquerading as news and local gossip columns, they lure unsuspecting victims to embrace a false belief about Crystal L. Cox, that she is society's advocate. Crystal L. Cox may have a rich source of new off-guard victims willing to communicate with her under the guise of promoting their businesses on her websites or having their livelihoods enhanced through other means. She pretends to be your advocate and your friend. She may even offer to help your business by purchasing domain names, placing ads on the Eureka Montana News or the Kalispell Montana News. There is the offer of help through blogs. All the while, you are an off guard victim incubating for her next strike.

Imagine that you have a slight disagreement with Crystal L. Cox. Or perhaps, you decide not to do business with her, for whatever reason. Maybe the website domains that she purchased to promote your business now are offered to you for a price and you don't buy.

#### YOU COULD BECOME CRYSTAL L. COX'S NEXT VICTIM!

This is what typically happens to people who have a simple difference of opinion or fail to cooperate with Crystal L. Cox's demands.

- For no apparent reason where Crystal L. Cox or Ten Lakes Realty has experienced any real harm, thoroughly obnoxious websites intended and blogs intended only to destroy reputations will, without warning, be unfairly posted about you, your family, your children and your business
- Crystal L. Cox will place phone calls to people in your home town, to your competitors, your friends, you colleagues and attempt to disparage your reputation and name.
- Crystal L. Cox of Ten Lakes Realty will send emails and letters, often with phony names and addresses to you, your friends and colleagues to destroy your reputation and ability to conduct business.

#### The Victims

Among the countless victims of Crystal L. Cox of Ten Lakes Realty in Eureka and Kalispell Montana are innocent people found in the following careers and businesses:

Realtors  
 Mortgage  
 Title Businesses

#### The Power of Character Vs. Reputation

Crystal Cox can worm her way into her victim's lives and ruin their reputation, but she does not have the power to rob her victims of their character.

Reputation and Character  
By William Hersey Davis

The circumstances amid which you live determines your reputation;  
the truth you believe determines your character.

Reputation is what you are supposed to be;  
character is what you are.

Reputation is the photograph;  
character is the face.

Reputation comes over one from without;  
character grows up from within.

Reputation is what you have when you come to a new community;  
character is what you have when you go away.

Your reputation is learned in an hour;  
your character does not come to light for a year.

Reputation is made in a moment;  
character is built in a lifetime.

Reputation grows like a mushroom;  
character grows like the oak.

A single newspaper report gives you your reputation;  
a life of toil gives you your character.

Reputation makes you rich or makes you poor;  
character makes you happy or makes you miserable.

Reputation is what men say about you on your tombstone;  
character is what angels say about you before the throne of God.

In the wake of all the destruction and waste in savaging individuals and the indelible effects on their businesses and children, we are left to pick up the pieces of our lives and, with the gift of our need to survive, begin to reconnect with our neighbors, families and communities and move on to new horizons. Crystal L. Cox and Leslie Turner have demonstrated that they are not part of us, have no remorse, only a pathetic sense of joy for the suffering they cause, and will never and have never been connected to the soul of humanity.

Crystal L. Cox and Leslie Turner are outside the realm of human experience.

There will always be people who are disconnected and devoid of moral conscience. The world needs to learn about them, and avoid them.

Crystal L. Cox and Leslie Turner are the voices of EVIL!

Great job describing this totally inhumane and evil woman. I am so thrilled that the sociopaths running loose in the world may be reigned in. My husband and I had a run in with Crystal Cox who used her GoDaddy to bludgeon our reputations on the internet. When you know Crystal L. Cox, who truly know the meaning of evil. She is a terrorist in every sense of the word. And, she likes to consider herself as the unaccountable queen. Well now she is in for a taste of her own

medicine, except that she has maybe a thousand victims, all who want to get her. Watch out Crystal, we are all after you and your lovely Leslie (Turner). It is so great to be part of this great group of people all working for the same goal, to wipe out Crystal L Cox once and for all. She has so thoroughly trampled on us, that any further websites will be a true waste of her time. Best of all, there are so many of us, she will never know for sure who to go after. Let her go after all of us. Crystal L. Cox will soon see that she will no longer be able to con people into becoming her victims. Ten Lakes Realty and Crystal Cox will soon be out of gas.

I'll second that comment, isn't it great that Crystal Cox is going to go down. I can't wait to see it. I love the group member who coined her a "Stinking Bitch".

Think of it, we get up in the morning, hug and kiss our husbands and kids and go about our day trying our best to make a better world. While we are raising families and working to survive, Crystal Cox has the luxury to spend her day using all her energies simply to destroy our ability to survive. And, worse yet, she enjoys torturing us. You call Crystal Cox a Stinking Bitch. I love it.

Crystal L. Cox's Home Town Hates Her

It is incredible for me to live in Eureka, Montana and to know that all my neighbors, most of the businesses, the police, the public offices all know, fear and hate Crystal L. Cox. Until this group organized to stand up against Crystal L. Cox, people from all over the country have been contacting us thanking us for our efforts to destroy the WICKED WITCH Crystal L. Cox and her lover Leslie Turner. I have known both of them for many years, know of people who were in school with her and avoided her even in her younger years. Crystal L. Cox has always been regarded in this community and much of Lincoln County as a dangerous lunatic.

As soon as we organized, there were over 20 of Crystal L. Cox's victims involved within a matter of hours. It was amazing how fast word traveled from one victim to the next to the next, until we were literally receiving emails and phone calls all over the country. And, we even found sympathy and volunteers with a major web company, legal advice and several heavy hitting law enforcement people who have joined us in building a strategy to take down the EVIL Crystal L. Cox and Leslie Turner. Most of us still wonder why Leslie Turner would get involved with such a low life as Crystal.

Thank God for the power in our group, several top level writers, and experienced managers who are determined to end the reign of this monster in our village. Crystal L. Cox and her lover, Leslie Turner are not wanted in Eureka, Kalispell, or any other place that I know of in Montana. Her reputation is really, really bad!

And thanks for our first couple of websites, <http://victimsclassactiongroup.com/> and the volunteers who, with the able assistance of our web firm, will soon have enough material on the net to stop this monster, once and for all.

My children and grandchildren will once again be able to hold their heads up.

Crystal L. Cox, if you are listening to people in our class action group, I would advise you to cease and desist or the consequences won't be good for you and your girl friend, Leslie Turner. We would even be happy to help you and Leslie Turner move to another state, or better yet, another country. Just get the HELL away from us, all of us all over the country.

WITH THE HELP OF THE MANY OF US WHO KNOW YOU CRYSTAL, YOU'RE REAL STORY IS COMING OUT AND WILL NOT STOP UNTIL YOU ARE GONE.

Just think of it Crystal, all and I mean all of the people you have slandered, maliciously tortured are out to get you. And, it won't stop until you stop. And, we will insist on an apology, to all of us and you will give it to us, before this is over.

So, fruitcake, just go for it, we dare you, you STINKING BITCH!

Hey, great job, I had a run in with Crystal Cox, if you can call her a human. You describe her as a "stinking bitch". She is everything you describe and more. Who in the hell would want to spend all their time figuring out how to destroy people. There is nothing she can counter because

everything you say and what I have seen of the new webs is 1000% accurate. As was said on one of the webs, Crystal Cox is a psycho without a conscience who is also sadistic. Psycho, pervert, sociopath - Crystal Cox is all those things. I agree, lets get rid of her, like the Witch in the Wizard of OZ.

I too say your comments and blog. Right on target about Crystal Cox and Leslie Turner. I have met both of them. I think Crystal Cox acts alone, but with Leslie's money. Maybe someone needs to talk to Leslie and show her some of the destruction to our families and see if she enjoys hurting people for fun. I'd be willing to bet that Leslie would be horrified.

## Email Threats!!

Seems someone doesn't like our work here..

Pretty simple. If you don't like my **TRUTH** then you should remove any lies, defamation and slander you have posted online, mind your own business and keep your mouth shut.

When all the lies about us are off the Internet we might shut up, until such time we are proceeding with the criminal and civil case against Crystal Cox.

Yesterday we received this email from one Stephen Mocko of (Supposedly)Eureka.

"You are an idiot, why don't you leave it alone? Who gives a fuck about your bullshit stupid little life.

"

Then

"My point is, leave me the fuck out of your stupid bullshit, Before I never knew who you were, and all I knew is you talking shit about my best friends, which now I guess happens to be your brothers and sisters in laws. You don't know fuck all about me, I don't know crystal that well, and I am pretty fucking sure you wrote that death email to crystal because u said in there about shit just like you do on ur blog about paul raping and beating his kids. Stop denying u wrote it. Btw ur lucky we have a shitty police force here in LC because anywhere else you would have been busted. And what is between you and Paul, is your deal, just stop talking about me, and caroline and the rest of the family, because they know full well that paul never touched them. You bring my name up again in ur stupid shit then yea I will harass you."

*Apparently we are supposed to be scared of this.....punk? Ya..*

*He had previously sent us this eloquent email.*

"Dude you are the pussy!! Putting a restraining order on Pual. Why can't you be a real man? He is a good and decent man you butt fuck. He did Jack shit to you. As for saying that he beat his wife and kids and molested them, you mother fucker. I know all of his kids they are good friends. And they are big. You are the one that needs to watch out. Don't show your fucking face back here in town because a

bunch of us want your ass. Never should have wrote your little letter to the editor bitch! there is alot of us who are not a part of LCW. This has nothing to do with LCW this is fucking personal You cock sucker. Very smart to be making death threats too you dip shit. I don't care what you say to crystal but talking shit about my friends, oh fucking boy. You will get what is coming to you, promise bitch.. Wake your stupid fucking arrogant ass up, you are the fucking disease that rots this community and society!

I don't know what you look like but I will find out the good thing about a small town.

FUCK YOU!!!!"

*Then he sent this...*

"Are you trying to track me? I made no threat to you i just said allot of people are pissed at you. and to watch your back. You can try to come up with something if you want but there is nothing there. Unlike you, making death threats to people. Yes it s personal because I am friends with bobby, Freddy, Caroline and Lainey, and you as well as i know he never beat them or molested them. Crystal tracked you and I am helping her to put full force of the law. You don't have the back of stormy and Lincoln county because you committed the crime in missoula. Good luck!!"

"

Some real genius genes at work there....

## From The Zombie Chronicles; CrystalCoxYouSuck.com

I wonder if this CrystalCoxYouSuck.com guy also owns the crystalcoxisabitch.com website..? HMMMM ccisabitch is the email address she has accused me of using for sending her a bullshit "death threat" from.

My bet is the email belongs to her other personality.. the one that keeps sending her "tips". "Tips" in the Cox dikshunery are: BS fabricated libelous sladerous lies created to defame and slander innocent people for her own person and financial benefit.

"Crystal Cox, You Suck.com

I'll start by stating I don't normally make a habit of demeaning or belittling a person or persons of misfortunate circumstances, be those circumstances naturally occurring or a result of environmental causes, but in this case I'd be remiss to not pre-empt my name negatively appearing on the internet by first writing (CAPITALS LETTERING IMPLIED),

Crystal Cox you suck.

That said, your suckness seems to derive from an inner, or mental disease. Whether that disease derives from genes, being dropped on your head as a baby, or repeated abuse you may have suffered as a child may never be known (and I don't really want to know). Perhaps it is a case of all three... but that is just me speculating, which is really why I'm writing this. Your wildly speculative blogging, which you call investigative blogging can be amusing and sad at the same time. Amusing in that it completely disregards any semblance of investigation and sad because it publicly displays the inner workings of a pathetically sick mind.

The ugly prattle you usually compose rarely engages me beyond the first sentence. Check your trusty stat counter, I'm usually on and off before a quarter of a minute is up. I think purposely

making repeated negative public comments on a families' private turmoil, as you have done recently, crosses a line that goes beyond amusing, sad, or even pathetic. It is mostly just plain mean.

So why don't you just stop. No one other than the fiction of your own mind has given you the authority to be involved here, not the family, not the creditors, not any sane person. Contrary to your lame denials you have contributed to the current mess this family is suffering through. Is that what you want, is that what you need- to cause pain?"

## Interesting

Found this online while surfing, thought it was profound....

"THE SOCIETY OF HELL

Did you ever stop to think about WHO will be in Hell with you? Hell is the prison house of the universe. Hell is the eternal home of all drunkards, whores, thieves, murderers, hypocrites, queers and lesbians. When you go to Hell, you will not go to some special Hell just for you and your class of people. No, you will go to the prison of the universe, and you will be locked away forever with every enemy of God!"

## Story of Crystal Cox Abuse and Defamation

For those people who live outside Eureka Montana, you might not know Crystal Cox. My good friend Crystal brags about being a "broker owner" of Ten Lakes Realty. Well she might be on paper, but thanks to her sever mental illness her business is no more. She was thrown out of the National Association of Realtors and the Northwest Montana Association of realtors for conduct unbecoming a real estate agent, or some such. All that means is that she does not have the ability to list a house for sale into the local MLS data base, which means it aint gonna sell...

Here's what she does... If you have any opinion that is in any way differs from hers, or if you don't kiss her ass from beginning to end she will go to godaddy.com and buy your name and use it as a website. Or she may just use one of her or Leslie's 4000+ insane websites. She will then dream up any and all kinds of crap she can about you, you are a child molester, you are immoral, you are a swinger, you are corrupt, you are cheating on your wife, you are a wife beater, you trade favors for sex, you are a government employee and you once propositioned her for sex (uck excuse me I just threw up a little....have you ever seen this woman...?? ick)

On and on and on, and if you tell her to go F off... well then she brings out the ol, "so and so has sent me a death threat and is trying to kill me!!!! "

Ya right... like she's worth wasting a valuable bullet on....

In my case she had this 10 or 12 page long email that she said I somehow sent to her. She went on and on about how only I could know the BS details of her life contained in that death threat....

Keep in mind... I've never even spoken to this crazy woman, ever!

She did this for two reasons, one I had a letter to the editor published opposing their silly failed Sherriff recall, and two my wife and I assisted Sherriff Daryl Anderson in his legal justification in not issuing a concealed carry permit to Paul Stramer. You see.. my wife knows all of old man Stramer's dirty little secrets.

She was beaten repeatedly within an inch of her life as a child, neglected and abused by the worthless POS until she packed up and walked out on her eighteenth birthday. We have been harassed by him ever since.

Enough of that, back to the real low life of this post, Crystal. Anyway, Cox, or Stramer write this long email, she sends it to everyone, including me, my employer, my supervisor, and a ton of people who don't know me, telling everyone I wrote it.

Then she cons Stormy Langston, the corrupt local justice of the peace into issuing her a restraining order against me. Well... Not going to work, because I already got a real judge to give me an order against Cox, which she has violated at least a half dozen times already.

Why did Langston give Cox this order?? Well Cox and Turner had a site, stormylangston.com that they used to bash Stormy. The very day Stormy Langston screwed me with a frivolous restraining order the site magically disappeared... Hmmmm.

I appealed the order to District court in Libby; the COWARD Cox couldn't even have the courage to show up at the hearing. We spoke to Judge Prezeau about the situation, and he literally laughed at Langston and giggled when I told him about Cox.

Oh and her big death threat.. She's still walking. I do things legally.

Now all her victims are organized, we are meeting in secret and we are going to make sure she is locked away in a loony bin somewhere all nice and legal. We have had enough, if you and your crazy buddies want war, so be it.

## Ten Lakes Realty of Eureka Montana

Spoke to a couple folks this weekend that hate Crystal Cox also, big surprise...

Both had the same story. They were thinking of selling their houses, Cox shows up and tells them if they sign with her as their agent that she has a buyer who is wanting to purchase their house, both signed a contract with Cox as their agent. Guess what happened...? No buyer.. She lied, like she always does. In fact neither party had anyone show their house, why?? Because Cox isn't allowed to be part of the regular association MLS system, so their houses went even part of the normal realtor's database, because Cox isn't even a real estate agent, she's a rouge with a HUGE chip on her shoulder blaming everyone for her failures and mental issues.

Why are we telling you this? Well to warn you, and because she keeps slandering us. Until she deletes all of her lies and BS about us we will keep right on telling the truth about Cox and her crazy "followers".

## Reputation Management..

Crystal Cox as a reputation management specialist....What a joke!!

If you minded your own business stopped spewing putrid filthy lies about people you have never even met just to make yourself feel important you wouldn't need "reputation management" Sweetie!

I am gong to make sure everyone knows all of your lies, your mental status and your dirty little secrets unless you delete all your lies about me.

Turnabout is fair game. Seriously, check yourself into a mental health facility before you kill someone, you have pissed off too many of the wrong people this time.

Take my advice for everyone's health and safety, avoid Crystal Cox from Eureka Montana, supposed owner of Ten Lakes Realty, which isn't even a legit business. This woman needs some serious mental help.

## From Crystal Cox Victim's Group

Can anyone tell me why in the hell is this woman allowed to secretly tape record phone conversations without approval then post them on the internet? Doing so is a direct violation of Montana code 45-8-213. Privacy in communications anyone who she has recorded without knowledge should contact the Lincoln County Attorney, Bernie Cassidy and ask that she be prosecuted!! 406-293-7781
