I wish to file criminal charges against Sean M. Boushie for stalking, harassment, threats, and death threats.

There is absolutely no question that Sean Boushie has followed me online and contacted me online for the purpose of harassing and intimidating me. He has attempted to terrify, threaten, harass, annoy, and offend me with lewd and profane language, lewd and lascivious acts, threats to inflict physical harm, and more. I fear for my safety and the safety of my family.

Sean M. Boushie, 570 Grandview Drive, Stevensville, MT 59870. I believe he is approximately 44-years-old. He is a Caucasian. His phone number might be (406) 882-4793.

He works at the University of Montana, Equip/Lab Tech/Supervisor, Office: HS 104, 32 Campus Drive, Missoula. Montana 59812, Phone: 406-243-1234, Email: sean.boushie@mso.umt.edu

I did file a complaint with the campus police, FBI, and Missoula Police, but the police told me I needed to make a police complaint in Cobb County to start the process. I have done so; Case #13007687.

I first became aware of Sean Boushie in March 2012. He began sending me odd emails from seanboushie@gmail.com. I was very polite in responding, and then he sent me this email:

Subject: Re: Sean Boushie, Will you help 750 Nobodies try to Save America

That's pretty funny, you better hurry because she is about to be arrested on federal charges and shipped directly to a mental facility.

Stalker, ya right... what she has is a case of paranoid schitzo delusional personality disorder.

She is paid monthly to harass her "stalker", which she defines as anyone who ever looks at her BS websites and anyone who tells her to shove it as far up her fat ass as she can reach!

If you haven't figured it out, I'm her alleged stalker.. Only because she says so!!

I am the one that has restraining orders against her not the other way around!

So, let this be your standing cease and desist. If you or she mentions my name or my employer in any association with stalking or if you accuse me of any crime on her simple lying word, i will have you arrested on GA cyberstalking laws, and I will sue you for every penny you never had.

I had enough crap from all the wackjobs associated with this lying POS. You can tell her I'm coming for her and I'm going to make sure she is locked away forever. Want to screw with me and the same goes for you!!Dont bother replying, youre going on the wackjobs to ignore list. [Here's the email.](#)

Since May 2012, he has emailed me under various names and email addresses. He has posted harassing messages and threats on my website, on my Facebook page, on my YouTube page, and on the sites and pages of others.

I sent several cease and desist emails to him as well as complaints to abuse@yahoo.com and abuse@gmail.com. I kept copies of those emails, but I am currently unable to locate them.

Does the University of Montana have a contract with the Department of Justice or the State of Montana to have Sean Boushie working as a cyberstalker? Some believe this is the case. It's one of the only logical explanations for President Royce Engstrom of the University of Montana (shown here) and law enforcement to ignore this.

Sean Boushie's primary stalking target has been Crystal Cox. He initially sent me four emails, and he offered to donate money to a documentary film I am producing if I told him when and where Crystal Cox would be filmed. Crystal Cox advises me that Sean Boushie has threatened her life.

I do not know Sean Boushie. I have never met him. I apparently became a target because I know and believe Crystal Cox.

I recently received photos of him.

I have received reports from others who say they have been cyber attacked by him. I have never emailed him except in response to emails and when copying him on abuse complaints filed with Yahoo and Gmail. I have never harassed him in any manner. I have written articles exposing him as a stalker, a liar, and one gross person, but that's it, and that is not stalking or harassment -- just the news, just the facts.

Now he is threatening my family and lying by claiming my wife owns the website LawlessAmerica.com and my son is the web hosting company for the site. He has

previously been advised that both of those statements are false. The site is hosted at GoDaddy. But the truth seemingly means nothing to Sean M. Boushie.

Sean Boushie's initial posts on my Facebook page used this Glock image as his icon.

[Sean Boushie's YouTube page](#) was filled with links to videos about guns and explosives. Anticipating that his YouTube account might quickly disappear (as it did), I captured an [Activity Log](#) and screenshots: [Screenshot 1](#) -- [Screenshot 2](#) -- [Screenshot 3](#) -- [Screenshot 4](#) -- [Screenshot 5](#) -- [Screenshot 6](#) -- [Screenshot 7](#).

One of the YouTube videos that Sean Boushie has liked is titled "The Wrong and Right Way to Shoot Someone."

Here is some of what I have received from Sean Boushie - [some 2012 emails](#) -- [2013 emails](#). It is also interesting to note that Sean Boushie is working with the hate group, the [American Mothers Political Party](#). We have a complete download of his posts on the American Mothers Political Party Facebook page along with death threats and slander galore.

Sean Boushie has called me crazy in a wide variety of ways, says I am a "liar" (which I am not), and of "dubious moral character" (which also is not true). Sean Boushie goes on and on and on as if he doesn't have a concern in the world about the easily-proven libel and slander. He has threatened to come after me and make sure I am locked away forever. He makes veiled and sometimes not-so-veiled threats of physical violence. He indicates he plans to shoot me if I come near his home. Sean Boushie has clearly followed me online, harassed, threatened, and intimidated me. This has caused me distress and apprehension. I do not doubt for a second that this guy would attempt to have physical harm done to me.

I sent Sean Boushie several cease and desist notices. He acknowledged this in a [September 13, 2012 post](#), yet I have email after email, messages, comments posted on my website, TalkShoe chat, YouTube Channel, and Facebook page well after he acknowledged the case and desist. This is clear evidence of stalking. [Message 5-6-2012](#) -- [Message 5-7-2012](#) -- [Email #1 9-13-2012](#) -- [Email #2 9-13-2012](#) -- [Email #3 9-13-2012](#) -- [Email #4 9-13-2012](#) -- [Email #1 9-14-2012](#) -- [Email #2 9-14-2012](#) -- [Email 1-3-201](#) -- [gun threat](#) -- [Email 1-5-2013](#)

He committed extensive harassment on the [Lawless America TalkShoe Show](#), and we have the chat logs to prove it.

We have captured various IP addresses that he uses, including 150.131.65.113, 74.82.64.144, and possibly 69.64.157.131, 124.169.134.10, and 209.85.216.181.

Here's one of Sean Boushie's YouTube posts: "Anything Wiliam Windsor is involved with is bound to be a complete lie and a distorton of any reality. He is only showing his mentally disturbed and distorted one sided view of every story, most of it lies and less than half truth. Anyone stupid enough to support a extortionist, scam artist, elderly abusing scum like Crystal Cox is obviously not very intellegent and ov dubious morals character. My bet is he wants payoffs from people to not extort them on you tube a trick learned from crystal Cox." Here's [another YouTube post](#).

One of the emails I received from him is from gofuckyourself@yahoo.com, and among other things, he threatens me with jail and says: "Bite me Asshole."

Here's an [email that I consider a threat to shoot me](#): "You are so welcome fatass!!!!!! :P. Anytime you grow a pair and want to take off your little girl panties you just bring that new gun you are bragging about right over. Ill give you an in depth lesson in montana castle doctrine. Until then tell your wife and son to expect my lawsuit. And you, you can go fuck yourself." He is especially fond of telling people to go f**k themselves.

Sean M. Boushie uses various aliases. He is John Smith on <http://joeyisalittlekid.blogspot.com>, and I have received reports that he has misused the name of Crystal Cox as a Facebook alias, including Crystal Cox and crystalcoxisabitch. He is clearly guilty of impersonating her.

Sean Boushie has taken credit for filing copyright/trademark violation reports with YouTube that caused two videos to be removed and a strike issued against the Lawless America YouTube Channel. [Trademark Violation 1](#) -- [Trademark Violation 2](#) -- [Trademark Violation 3](#) -- [Trademark Violation 4](#) -- [Trademark Violation 5](#) -- [Trademark Violation 6](#) -- [Trademark Violation 7](#) -- [Trademark Violation 8](#). YouTube will have additional records on these as I didn't attempt to get screenshots of all of them. I have copies of Internet postings where Sean Boushie admits that he filed these fraudulent Copyright/Trademark Violation Notices...and more.

YouTube determined the complaints to be bogus, but the videos were down for a month or two. These copyright/trademark violations have to be filed under penalty of perjury, and it is a federal criminal offense to file bogus complaints. There were at least six filed, maybe as many as 10; I lost track. I have many copies of postings made by Sean Boushie and his aliases that include all type of hate, threats, and simply unbelievable stuff.

[Crystal Cox](#) seems to believe the University of Montana and federal and state law enforcement are covering up the [Montana Freeman incident](#) and other corruption in Montana and are protecting Sean Boushie, the son-in-Law of [Paul Stramer](#), who was involved in all that. The [University of Montana Office of Public Safety](#) says

they haven't seen anything wrong. Outrageous! The FBI has claimed in the past that they don't see any federal crimes.

I was just notified yesterday that Sean Boushie has begun stalking Glen Gibellina of Sarasota, Florida – the fifth person to be filmed for my documentary that he has stalked.

It is clear that Sean Boushie has violated Georgia and Montana law.

Montana Code Section 45-5-220. Stalking Defined As: Purposely and knowingly causes another distress or apprehension by repeatedly following or harassing, threatening, or intimidating.

Montana Code Section 45-8-213. Privacy in communications. (1) "Except as provided in 69-6-104, a person commits the offense of violating privacy in communications if the person knowingly or purpose" (a) "with the purpose to terrify, intimidate, threaten, harass, annoy, or offend, communicates with a person by telephone or electronic mail and uses obscene, lewd, or profane language, suggests a lewd or lascivious act, or threatens to inflict injury or physical harm to the person or property of the person. The use of obscene, lewd, or profane language or the making of a threat or lewd or lascivious suggestions is prima facie evidence of an intent to terrify, intimidate, threaten, harass, annoy, or offend."

Georgia Code Section [16-5-90](#). Stalking; psychological evaluation

(a)(1) A person commits the offense of stalking when he or she follows, places under surveillance, or contacts another person at or about a place or places without the consent of the other person for the purpose of harassing and intimidating the other person. For the purpose of this article, the terms "computer" and "computer network" shall have the same meanings as set out in Code Section 16-9-92; the term "contact" shall mean any communication including without being limited to communication in person, by telephone, by mail, by broadcast, by computer, by computer network, or by any other electronic device; and the place or places that contact by telephone, mail, broadcast, computer, computer network, or any other electronic device is deemed to occur shall be the place or places where such communication is received. For the purpose of this article, the term "place or places" shall include any public or private property occupied by the victim other than the residence of the defendant. For the purposes of this article, the term "harassing and intimidating" means a knowing and willful course of conduct directed at a specific person which causes emotional distress by placing such person in reasonable fear for such person's safety or the safety of a member of his or her immediate family, by establishing a pattern of harassing and intimidating behavior, and which serves no legitimate purpose. This Code section shall not be construed to require that an overt threat of death or bodily injury has been made.

There is absolutely no question that Sean Boushie has followed me online and contacted me online for the purpose of harassing and intimidating me. He has attempted to terrify, threaten, harass, annoy, and offend me with lewd and profane language, lewd and lascivious acts, threats to inflict physical harm, and more. I fear for my safety and the safety of my family.

Sean Boushie does work at the University of Montana, and I did file a complaint with the campus police, FBI, and Missoula Police:

<http://dbs.umt.edu/people/staff.php>

The Missoula Police know about Sean Boushie: Detective Jamie Merifield, Domestic Violence & SVOR Investigations, (406) 552-6291, (406) 396-3253 cell, Police Station Number -- (406) 552-6300

Here is an entire blog about Sean Boushie's stalking --
<http://montanacorruption.blogspot.com/>

I have been sent **dozens of documents by Crystal Cox**. I have been contacted by another of his stalking victims, **Michael Spreadbury**. He has attacked **Lawless America film subject, Mary Wilson**. It is worth noting that four of the people attacked by Sean Boushie have been filmed or are to be filmed by me for the documentary film.

I was also recently contacted by Stephanie DeYoung. She was also harassed by Sean Boushie -- years of taunts and harassment. So was **Shawn Rutherford**. I learned that Lea Anne Scott received mailed threats. I have been advised that Eliot Bernstein can confirm that Sean Boushie emailed Eliot's iViewit Shareholders to join in hate against Crystal Cox.

In my opinion, Sean Boushie is dangerous. I believe the courts should protect Crystal Cox, Mary Wilson, me, my family, and others from Sean Boushie by giving us a restraining order. People all over the country are preparing sworn affidavits about what Sean Boushie has done to them.

Sean M. Boushie

Despite numerous notices to cease and desist sending emails to Bill Windsor, he continues to do so. One of the most serious emails was sent at 5:45 pm on February 16.

The email containing what the people who have seen it perceive to be a death threat was sent using the name Crystal Cox, but Sean M. Boushie impersonates Crystal Cox, and we know the email came from him. This is the email:

Especially this part. "(2) If a person reasonably believes that the person or another person is threatened with bodily harm, the person may warn or threaten the use of force, including deadly force, against the aggressor, including drawing or presenting a weapon. "

So when are you coming dumbass? I don't want to miss it??

I forwarded the above email to the real Crystal Cox, and she replied as follows:

Sean Boushie continue to talk to people on facebook, send emails, post hate, send hate, and **impersonating me**, how is this protected under the first amendment? [**Proof that Sean Boushie is operating from the University of Montana.**]

Now, as you see below he is threatening to Kill Bill Windsor if he sees him and in MY Name.

Please accept this as yet another Terms of Service complaint against SeanBoushie@gmail.com

This email was received approximately one hour after I sent yet another Cease and Desist Notice to seanboushie@gmail.com

I have sent a number of cease and desist notices to Sean Boushie and his various aliases. He also uses the names and emails such as John Smith, Crystal Cox, CrystalCoxisaBitch, CrystalCoxVictimsGroup, gofuckyourself@yahoo.com, and others.

In addition to me, this man has sent messages to my wife and son, and they have also sent him a cease and desist notice.

In this email, he threatens them with jail and financial ruin. He has been informed NUMEROUS TIMES that my wife does not own LawlessAmerica.com, and my son's company does not host www.lawlessAmerica.com. The website has been and is hosted by GoDaddy. Yet he persists in lies, slander, defamation, harassment, and cyberstalking. I fear that this person may do bodily harm to me. He has guns and is a skilled marksman with a bow and arrow.

He claims he is suing my wife and son, and he is doing so with full knowledge that to do so is a malicious lawsuit in violation of Georgia statutes.

I have filed criminal charges against Sean Boushie in Georgia and Montana, and the U.S. Government, DC, and Virginia police were given the details, his photo, and detailed information about his criminal acts.

This article has a lot of detail about Sean Boushie:

I can attest to the above statements as true, as a witness to the above actions of said party, Sean Boushie against William Windsor on three separate online communications. I, Crystal Cox and William Windsor recieved a threat of bodily harm on my facebook wall, thus evidence was sent to the above parties after this occurrence on December 30,2012. Two prior communications listed William Windsor as the primary target of threats to use a glock gun by Sean Boushie. I will testify, if called to do so, of the occurrences as stated above and witness to continued harassment and threat by Sean Boushie. My contact information can be obtained by the website author/owner.

That's pretty funny, you better hurry because she is about to be arrested on federal charges and shipped directly to a mental facility.

Stalker, ya right... what she has is a case of paranoid schitzo delusional personality disorder.

She is paid monthly to harass her "stalker", which she defines as anyone who ever looks at her BS websites and anyone who tells her to shove it as far up her fat ass as she can reach!

If you haven't figured it out, I'm her alleged stalker.. Only because she says so!!

I am the one that has restraining orders against her not the other way around!

So, let this be your standing cease and desist. If you or she mentions my name or my employer in any association with stalking or if you accuse me of any crime on her simple lying word, i will have you arrested on GA cyberstalking laws, and I will sue you for every penny you never had.

I had enough crap from all the wackjobs associated with this lying POS. You can tell her I'm coming for her and I'm going to make sure she is locked away forever. Want to screw with me and the same goes for you!!Dont bother replying, youre going on the wackjobs to ignore list.

Would you be willing to spend a few dollars to save America from corruption? If you can afford it, please make a donation so my friends and I can try to save America from government corruption and our loss of Constitutional rights.
