Ohhhhh nooooooooooooo, mr fatass billy Windsore is right back to stalking and harassing our friend Ms. Overstreet, what a low life worthless stalking fuck you are Billy boy. You don't have the balls to do it in person so your little Dick hides behind a keyboard, such a coward you are... Don't forget, not even Hitler or napolean could fight a battle on two fronts. Overstreet will keep you busy while we sneak in the back and finksh you off once and for all!! I hope you enjoy your padded cell fat man.
