Sean Boushie threatens Bill Windsor with a Glock gun

When Sean Boushie began posting on bill Windsor's Facebook pages — www.facebook.com/billwindsor1 and www.facebook.com/lawlessamerica, this was the gravator/photo that he used.

This was viewed by Bill Windsor as a threat from Sean Boushie that he was going to shoot him. Admittedly, this is a veiled threat. But when you follow the series of posts and threats, it is quite clearly a threat.
