Sean Boushie publishes lies claiming he has had no contact with and has not threatened Bill Windsor

Sean Boushie (using his John Smith alias on Joeyisalittlekid.blogspot.com) publishes lies claiming he has had no contact with and has not threatened Bill Windsor:

john smith January 6, 2013 2:08 AM

How do you get a death threat from some one you have never spoken to an never had contact with...???? What an oxy MORON!!!!

Mary is another cox supporter, off her rocker obviously. At this point I'm only worried about my co-workers, I can take care of myself. Law enforcement is a waste of time..

Can somebody tell me how this is not harassment and intimidation?
