Sean Boushie of the University of Montana seems to me to be a professional cyberstalker. It is hard to imagine that he could do much other work for the University of Montana.

Can you please remove this comment and block the user *seanboushie* . As you can see, it is very disgusting and disturbing.

"Still a liar, still crazy, and still fat and ugly. tell teh truth for once you crazy psychopath!! You had the hots for Stephanie Deyoung, a lovely blond STRAIGHT and MARRIED woman. So you began to harass kevin simply to impress her, end of story. When that didnt work you offered to take money in order to improve his online "image" BEFORE you ever knew there was a lawsuit. So quit lying and go check yourself into a mental hospital.
