Professional Cyberstalker Expose

Facebook Page set up in name of Sean Boushie to cyberstalk Bill Windsor

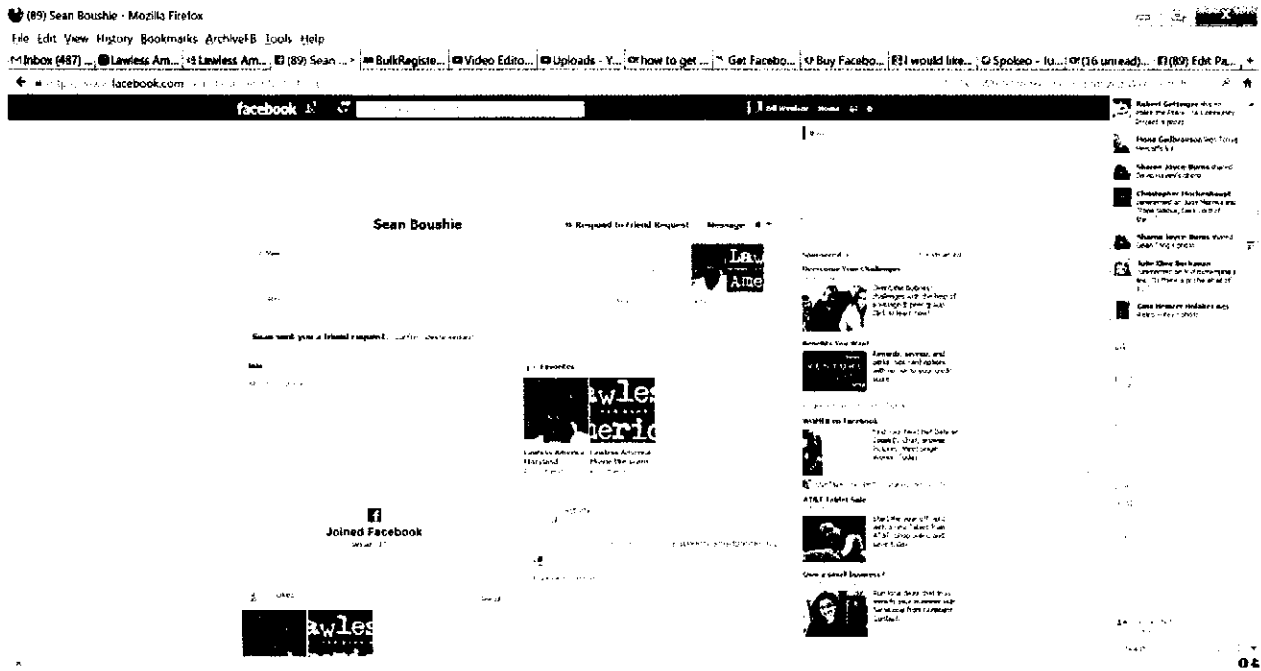

Facebook Page set up in name of Sean Boushie to cyberstalk Bill Windsor.

This page has only two likes — one Lawless America page and one anti-Lawless America page.

Since the Lawless America page is Maryland, where stalker Michelle Stilipec lives, I believe she set up this page. I have been told that Michelle Stilipec has been treated for mental problems. I know she is a very scary person.
