Professional Cyberstalker Expose

Sean Boushie stalks and harasses Bill Windsor with message "go fuck your self you fat ass lying koward"

Here is an email received from Sean Boushie. He can't spell, and he loves telling people to go fuck themselves.

Such a credit to the University of Montana that they would employ a person of this caliber.

So what the hell dumbass?? No warrant,no nothing?? Is that the best your tiny little brain can do?? Loved the part about you hiring your own private stalker. Such a shame your tiny testicals won't let you do your own dirty work, such a worthless low life koward you are. Come out from behind your keyboard koward. I'm waiting....

Now, go fuck your self you fat ass lying koward.
