Bill Windsor of Lawless America has requested corrections and retractions to defamation, libel, and slander by Sean Boushie

**Correction
and
Retraction
Request**

I, William M. Windsor, have been defamed, libeled, and slandered by many people.

I request that each defamatory, libelous, and slanderous statement be corrected and retracted in as conspicuous and public a manner as that in which the statements were published, and that the retractions and corrections be accompanied at the same time by an editorial in which the statements are specifically repudiated.

Please send proof of correction and retraction to Bill Windsor, PO Box 681236, Marietta, GA 30068.

A libel is a false and malicious defamation of another, expressed in print, writing, pictures, or signs, tending to injure the reputation of the person and exposing him to public hatred, contempt, or ridicule. Slander consists in: (1) Imputing to another a crime punishable by law; (2) Charging a person with having some contagious disorder or with being guilty of some debasing act which may exclude him from society; (3) Making charges against another in reference to his trade, office, or profession, calculated to injure him therein; or (4) Uttering any disparaging words productive of special damage which flows naturally therefrom. Malice is inferred from the character of the charge.
