Facebook Page set up in name of John Brown (believed to be Sean Boushie alias) to Cyberstalk Bill Windsor

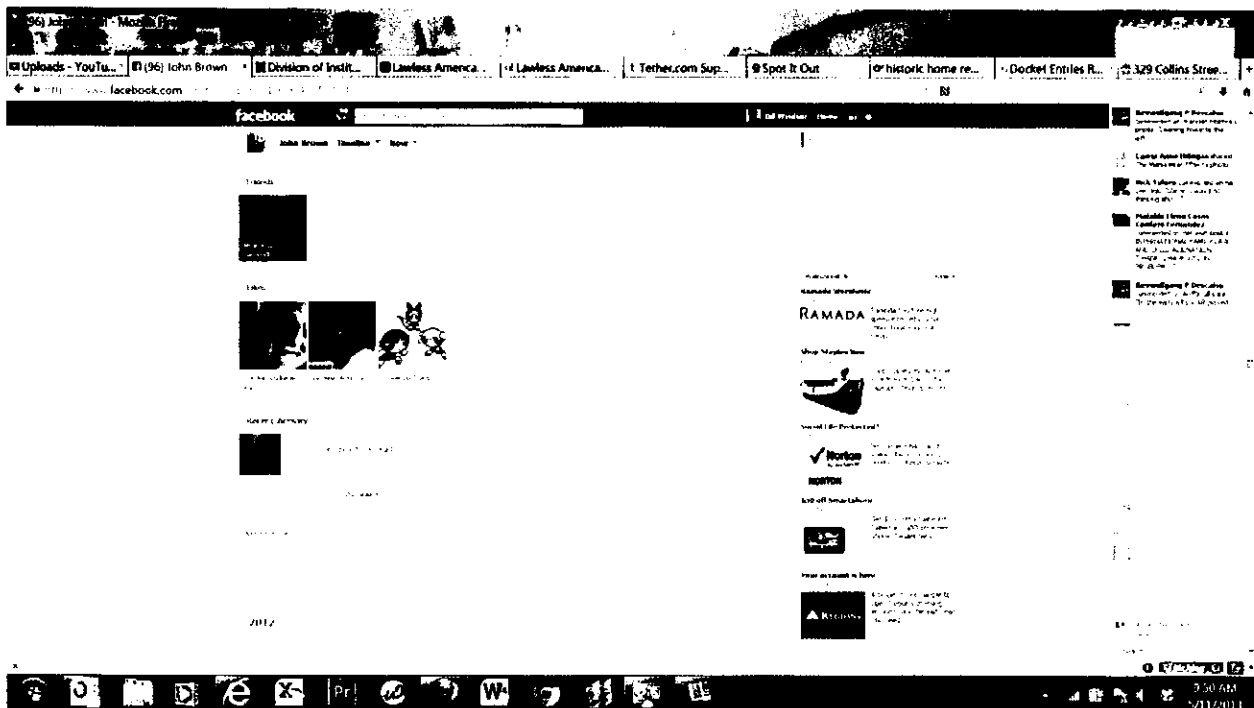

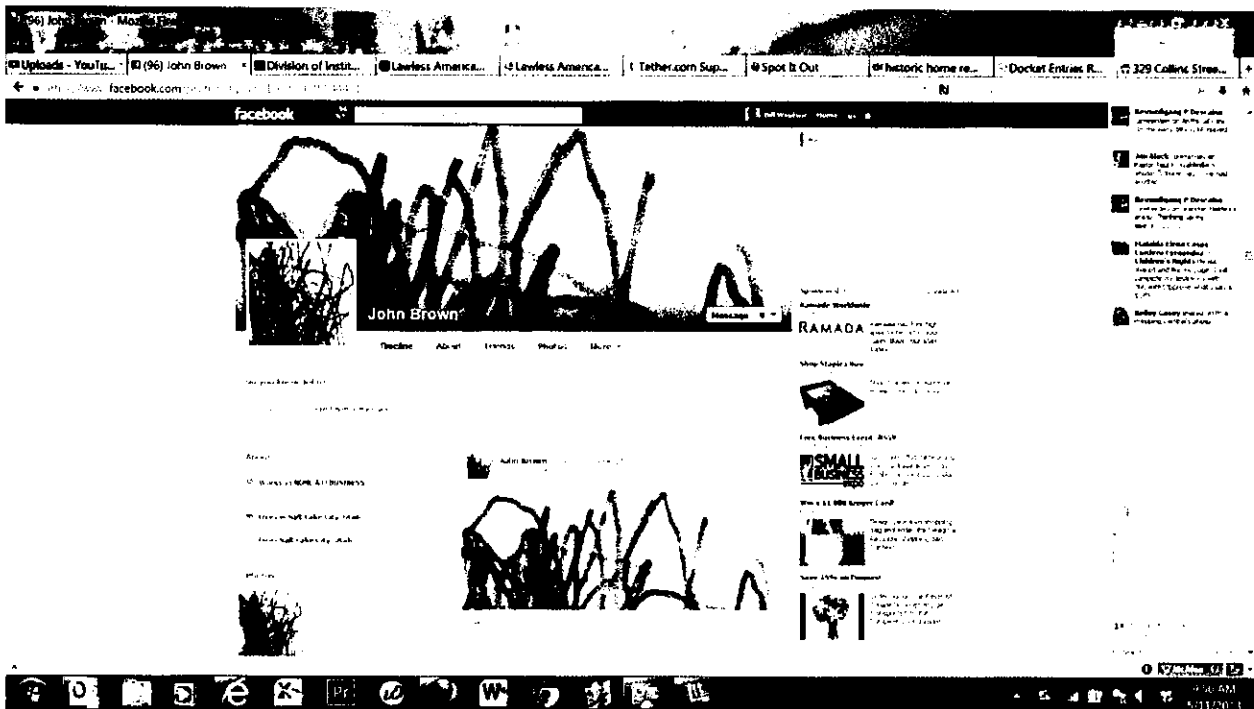

A Facebook page has been set up in the name of John Brown to Cyberstalk Bill Windsor. John Brown is believed to be a Sean Boushie alias.

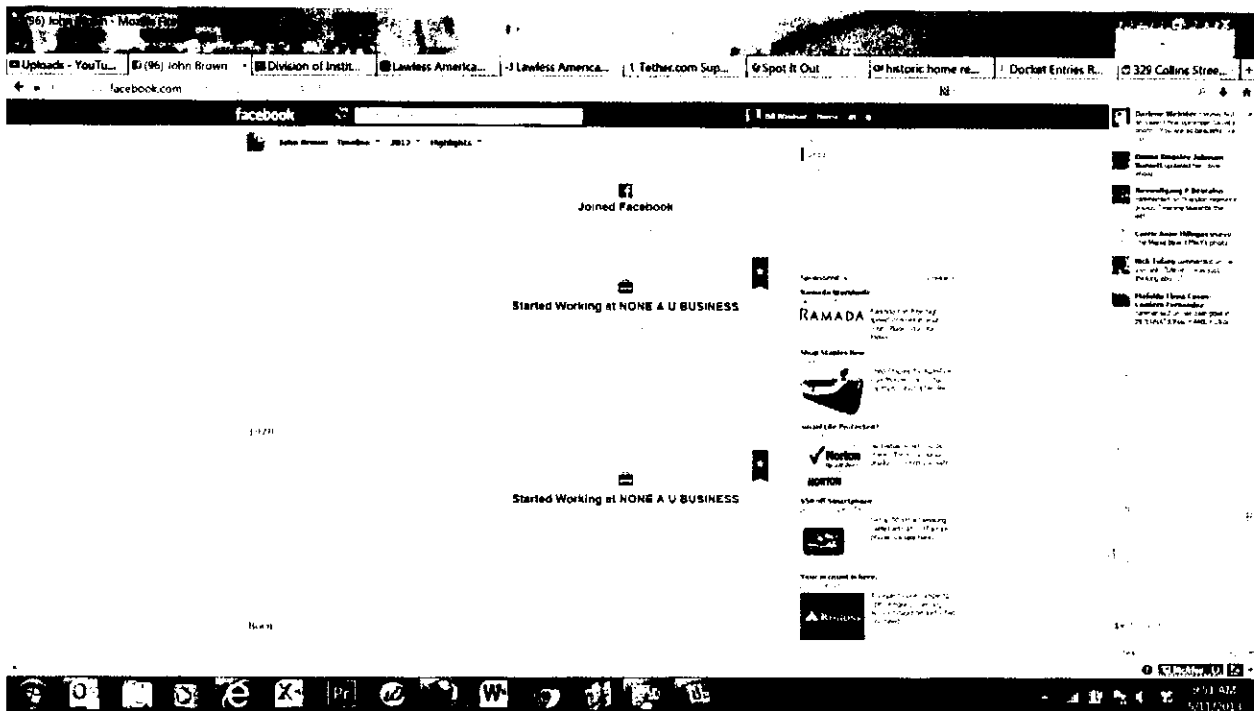

In posts on May 13, 2013, "John Brown" libeled Bill Windsor by calling him a liar, mentally ill, a thief, a criminal, insane, a pedophile, a dickless coward, a stalker, a harasser. And he very clearly threatens Bill Windsor's life.
