At last BHP is law months ago I thought that you were just spinning your wheels trying to defend yourself against the Shannon E. Miller of the world but you know what? Your integrity and your willingness to do the "hard thing" to hold the Shannon E. Miller accountable for their sarmmy actions is truly heroic. Thank you and bless you. I'm so proud of you. There are words

You stole to Biloxi Mississippi for this purpose?
NEWSFLASH!! YOU are a stalker!! It's a new added feature! Along with your already failed attempt at mapping these folks in the cyber world for protecting themselves from online attacks by you and your followers. You don't live the fact that as a public figure that you've placed yourself as that citizens have the right to defend against you. Blaming for of you and your stupidity assists us in the daily day of life you speak. Come get me
