Subject:

Oh Billy, I can't wait to see you again. Will you take me to your favorite play place? You know, those nasty gloryholes where you go. I so want to see you do those things with the boys you always talk about, and I can't wait to play with your throbbing 2 inch throbbing member again. Its ok, I won't tell anyone about the rash you gave me last time.

Signed,

Ooga Boobies
