Bring it on fatass. You are just another lying keyboard koward... I guess you want your wife, the
owner of your parania website, sued. So be it.*

Barbara Windsor has never had any ownership in www.LawlessAmerica.com, and Sean Boushie was advised of this repeatedly. But the truth seems meaningless to Sean Boushie.

Sean Boushie demonstrates his lack of spelling skills once again in this email. He is such a credit to the faculty of the University of Montana.
