Oh no the FBI is coming for me.... I'm soooooooooo scarred 😊😊 :sigh: . Shove it dumbass. You are a worthless liar just like all your psycho buddies. Keep harassing me. I can use the money.

Sean Boushie is employed by the University of Montana.

Most stalkers, including Sean Boushie, use a technique in which they claim the people they are stalking and harassing are doing it to them. I have never stalked or harassed Sean Boushie. All I have done is report what he has done to me, and I have sent him many legal notices to cease and desist, none of which would have ever been needed if he wasn't stalking me.
