Sean Boushie publishes that Bill Windsor has a psychotic break and threatens him if he comes near him

Sean Boushie (using his alias John Smith) publishes that Bill Windsor has a psychotic break and threatens him if he comes near him:

john smith January 5, 2013 11:46 PM

Each personality probably wants \$20. She thinks its real, its not... Just another extortion attempt. Looks like he has had anothe psychotic break. God help him if he's stupid enough to actually come near me.
