Sean Boushie of the University of Montana posts that Bill Windsor needs to go fu\*k himself, and more.

Using the fake identity "williamwindsorsucks," Sean Boushie wrote:

*Go fuck yourself you fat fucking lying worthless lump of shit!!!! Quit picking on Allie and come and get me!!!! I'm your #1 threat you fat fuck!!!!*

Sean Boushie has a preoccupation with the concept of fucking oneself. He loves the f word. In this email, he averages an f word in every sentence.

I bet the mothers and fathers of University of Montana students are proud to have their children at a school where Sean Boushie is a teacher.
