## Bill Windsor falsely said to have herpes and be cheating on his wife

Bill Windsor falsely said to have herpes and be cheating on his wife. This was published on Bill Windsor's website and is believed to have been published by Sean Boushie using the stolen identity of Bill Windsor's mother who died 35 years ago of breast cancer.

Billy, I don't know why you have become such a fat pie tard... I'm going to use my new facebook page to tell the world what a fat lazy worthless son you were!!! You should be so. Ashamed..... I think you should stop fucking around on your wife with those herpes infested lot lizards. I know the syphilis has gone to your brain, but really... Keep your tiny little dick in your pants.
