How do you sleep at night? I mean, really. Are you just completely insane and really believe you're doing something good? Or are you just a pure, evil, fucked up asshole? Is say youre both. An insane, evil, asshole that gets his jollys by fucking with people. You're mother ignored you I bet. Doesn't it bother you that nobody will be crying at your funeral? Your own family can't stand you. Do you care? You are a home and everyone laughs at you. Don't you have any dignity? I almost feel sorry for you old man.
